ENTHUSIASM FOR AUTO TRIP UP M'KENZIE

"You can say for me," said G. F. Beck, who is covering the whole state on his "pathfinder" tour for the Portland Automobile association, speaking of the McKenzie trip, "it's the best side trip for automobiles in the state, with no exceptions, and I will advise all tourists desiring a few days' summer outing to make this trip from Eugene to McKenzie Bridge and Foley Springs."

It was an enthusiastic trio, Mr. Beck, his driver, Glenn, and draftsman, Frank, who talked to a Guard reporter last evening in the Osborn lobby after they had returned from a trip up this wonderful valley, mapping it for the automobile guide book that is to be published this fall. They have seen nearly every trip in the west and are making these tours from purely a business standpoint, yet after seeing the wonders of the McKenzie they could not say enough about their experiences of the last two days. Their expressions came in outbursts that ranged in subject from "those meals" to "those baths" and

"that scenery." All three spoke at once.

Continued Mr. Beck: "Foley's is the finest place that I have ever been to, and I would not have missed that trip for all the money that could be offered me. Of all the beautiful spots in Oregon, or, in fact, in any place that I've been in, Foley Springs has got 'em all skinned."

"And fish—why, you can't beat it. And oh, that breakfast at O'Brien's and that mountain air at 5 o'clock in the morning." These were but a few of the many expressions of enthusiasm that the Portland "pathfinder" expressed.

Minney's Great Roads.

Although they broke a spring on the way up, Mr. Beck considers the roads very good. He said: "For mountain roads the trip to McKenzie Bridge and Foley Springs are in as good condition as any mountain trail in the state of Oregon. And another thing you can say for me—now take this down—give Mr. Minney, the road supervisor, the greatest credit for the splendid condition of the roads in his district. He could not make them better. It would be wise if some of the other supervisors would take notice from him."

"The country tributary is going to assist in making Eugene, and these resorts are the greatest assets the country has."

Great Summer Resorts.

It was the opinion of Mr. Beck that the chance to make the summer resorts on this river famous was better than any other place in the west and that it was only a question of time, and a short time at that, before some capitalist will put in a resort is overtaxed, and when the become, in his opinion, one of the greatest in the country. Some day there will be a macadam road over the whole sixty-mile stretch and then there will be no limit to the number of tourists that will seek this place. At present the small capacity of the resorts are overtaxed, and when the party arrived there on Wednesday evening a tent to accommodate them had to be borrowed from a man who was planning to start into the mountains.

"There is absolutely no scenery in the world like the mountains along that river," said Mr. Beck, and turning to Mr. Frank, his draftsman, who has traveled in Switzerland, "is there anything in Europe that will beat it?"

EUGENE COMPANIES MADE GOOD SHOWING AT CLACKAMAS SHOOT

Company A Made Sixth Place, as Compared to 11th Last Year—Co. C Was 11th

All the members of Companies A and C, Fourth Infantry, O. N. G., of this city, have returned from the annual state shoot at Clackamas, and all feel that they have had a good vacation, as well as some valuable experience on the range.

Company A made sixth place among the 22 teams that competed, and Company C came out eleventh. Last year Co. A held eleventh place. The record of Company C last year is not at hand at the present time.

Company E, of Cottage Grove, as stated previously by The Guard, won the company honors above all other teams. Walter McCormack, of Co. A, won second place in the National Rifle Association match, but aside from this neither company from Eugene had any individual stars.

The Third regiment, which is located entirely in Portland, won the governor's trophy.

ELMIRA NEWS.

Special Correspondence.

Elmira, July 20.—The jolly harvest time has come, with a bounteous supply of grain at hand. The farmers are busy with their hay hauling. C. Lamb has invested in a new set of harness. We know why, Clyde.

Mr. and Mrs. Geo. Dickinson spent Sunday at her mother's home near Eugene.

Rev. M. F. Horn of Eugene filled the appointment of Rev. Mr. Whipple Sunday evening. Rev. Mr. Horn, with the assistance of Mr. and Mrs. Webb as singers, is to enter the field as an evangelist. We are especially interested in Mr. Horn, as he was rated in this vicinity.

Mrs. Barbara Yates left Saturday for Wasco, Or. She regrets that she could not stay longer and visit her numerous friends.

J. H. Daniel of the O. F. R. A. made a visit to this community with good success. We believe in protecting the home and that insurance is the proper plan.

J. R. Marsh and family leave tomorrow for the Belknap Springs. They will be gone about a month.

Clara Ross is working on the telephone line between here and Mapleton.

Elmira had a visitor a few days ago in the shape of a home-made auto. Perhaps ere long any farmer may own his own "buzz wagon."

BIBLE UNIVERSITY PLACES TRACT OF LAND ON MARKET

City Outlook Name of New Addition South of City Limits

A plat of City Outlook, a new addition to Eugene, has been filed with the county clerk. The tract consists of 75 acres and is owned by the Eugene Bible University, which purchased it from Dr. E. C. Sanderson, president of the institution, some time ago, but only recently decided it back to him as trustee, so that he could handle it after it had been placed on the market.

The tract lies immediately south of the Baker farm, the residence of which is located at the south end of Alder street at the southern limits of the city. The tract is a part of the old McMurray farm and is known to contain some very rich land.

The new addition has been divided into five and ten acre tracts, which Dr. Sanderson expects to sell to people who desire to raise fruit. The land is said to be splendidly adapted to fruit culture.

BAD STOMACH.

My Stomach is Going From Bad to Worse.

Yes, it's true; thousands of people cannot eat the simplest meal without having it lie on the stomach like a lump of lead, causing misery, sour stomach and gas eruptions.

And later, when the stomach has gone from bad to worse, there will be longer periods of food fermentation, and then dizziness, biliousness, sick headaches and nervousness.

If your stomach is out of order, if it doesn't feel right after meals, go today and get a 50-cent box of Mi-o-na stomach tablets. In a few minutes after the first dose, the misery will disappear, and you will be thankful.

Then go right on taking Mi-o-na a few days. I will build up the stomach, unplug the liver, purify the bowels and make you entirely satisfied with your stomach in a few days.

Mi-o-na stomach tablets are made from the best prescription for stomach troubles ever written. They are sold by druggists everywhere and by the Red Cross Drug Co., and are guaranteed to cure indigestion, acute or chronic, or money back.

Booth's Pills are best for torpid liver and constipation. 25 cents.

HYOMEI

UNCLE SI ARRIVES IN TOWN.

Uncle Si dropped in from the hills yesterday, said he'd heard so much about the mammoth shoe sale at the Dodge Department Store thought he'd come down and investigate. We convinced him in very short order that what he had heard was true, and when he left last night he said we could expect a large delegation to attend our shoe sale before the end of next week. This is what he saved on his purchases:

Uncle Si Crawford dress shoes, \$3.90; saved \$1.10.
Uncle Si Work Shoes, \$2.85; saved 75c.
Aunt Cynthia Dress Shoes, \$2.85; saved 85c.
Aunt Cynthia Every Day Shoes, 95c; saved, 30c.

Sarah Dress Ties, \$1.45; saved, 55c.
Baby Lou Dress Shoes, 85c; saved, 40c.

His total purchase was \$15.10, and he made a saving of \$4.90 over what he would have paid elsewhere.

How's that; on \$15.10 worth of shoes he saved \$4.90. This is straight goods; you can do the same. Come in and see.
