"The Hour of Temptation." -Rev. 3: 10.-

The difficulty with the present situation is that we have stupidly and blunderingly misread the Bible. We have twisted what we did read and picked and must be obeyed, if blessing is out certain portions which pleased best our faucies and supported best our various creeds. We have neglected the honest, truthful study which we ah's Kingdom is not only to bless those line-that the people are awakening should have given to our Heavenly Fa. living at the time of its establishment, ther's message. year, preclaiming liberty for the people and restitution of all that has been lost through sin, and which is to be restored through Messiah's Kingdom.

Bible Students know also how the New Testament abounds with references to the Kingdom! the Kingdom! the Kingdom; Nearly all the parables that our Lord gave were in illustration of something connected with the Kingdom or the class called out of the world to inherit the spiritual Kingdom, All such know, too, that the Great Peacher proclaimed that Kingdom and taught us and all of his followers to pray for it, "Thy Kingdom come! Thy will be done on earth as it is done in heaven." They all know, too, that all of the Apostles refer to that Kingdom and point the Church to its establishment for the realization of her hopes-the time when the marriage of the Lamb will take place-the time when God's New Covenant with Israel will go into effect. The time when he who scattered Israel will also gather them, and when the Law shall go forth from Mt. Zion, the Celestial Kingdom, and the word of the Lord from Jerusalem, the capital of the earthly princes. God's remedy is just what humanity is coming to realize it needs. In its establishment, as the Scriptures declare, "the desire of all nations shall come" (Haggai H, 7).

Bible Students are more and more coming to see that this Gospel Age is the time in which Messiah is selecting from amongst men-of Jews and Gentiles - a saintly class and is testing and proving their loyalty to God and to righteousness. These are to be Messiah's assistants-the Bride, the Lamb's Wife. As Abraham typified the Heavenly Father, so the Messiah was typified by Isaac. And Messiah's Bride and joint-heir and co-laborer in his Kingdom was typifled by Rebecca. Thus seen the great Plan of God

has progressed well.

The Great Day of Wrath.
