## NO LOCAL OPTION ELECTION WILL BE HELD IN LANE CO. AFTER ALL

There will be no local option election in Lane county after all the talk, for the reason that there were not enough names of registered voters on the petition filed with the county clerk a few days ago. In checking them over County Clerk Lee found only the names of 377 registered voters out of the 567 names on the petition. So the "sees" will have to wait another two years before they can place the question before the people.

Verner A. Gilles, of Baker City, was yesterday evening chosen president of the senior class at the University. Gilles, who has majored in mining engineering, has played two years on the varsity football team, one year on the track team and is an all-around athlete. Mr. C. W. Jarvis of Lebanon is in the city in the interest of the Albany Nursery Co. "The Old Reliable". Any one wishing to patronize this well-known firm will do well to see him during his canvass through the country.
