

Sermon by CHARLES T. RUSSELL, Pastor Brooklyn Tabernacle

London, October 28.—Pastor Russell of Brooklyn Tabernacie today address. nation. ed an immense audience in the world's greatest Auditorium, the Royal Albert Hall. Many of his audience were Jews, attracted by the liberal extracts from Pastor Russell's sermons which have been appearing in the Jewish papers all over the world. The discourse was full of comforting assurances (both to Jew and Gentile) of the glorious outcome to the Divine Plan, as respects our world and its inhabitants. We report the address only in part, as fol-

a miracle in themselves. They witness returning. to the civilized world God's promises preserved.

ments and persecutions.

Mon in conjunction with the birth of help. the New Order of things! Beyond the sighing and the crying, the morning and despair, which sin and its penalty have brought upon mankind! What though the Scriptures tell us that Israel is yet to have "The time of Jacob's trouble" in connection with the world's great time of trouble impending. None of these things shall hinder us from rejoicing in the New Heavens and the New Earth, which God declares he is about to create and put into control of our world-"Be ye glad and rejoice forever in that which I create" (Isaiah lxv. 18).

The New Heavens and the New Earth are but symbolical terms for the consideration of that New Era, in which there will be a new social order. as well as a new ecclesiastical system,

eternal in the heavens. The time has come when our text is having its fulfillment. The shining of the lamp of Truth upon the prophetic page shows us that the great clock of the Universe is marking the hour when he whose right it is shall take to himself his great power and reign. Ah. yes! We remember that it is written that then the nations shall be angry. and God's wrath shall be manifest, and then the time shall come for the judgment of the dead and the reward of all, both small and great. But we are glad, nevertheless, that the "times of the Gentiles" are nearly at an end and the time of Messiah's theocratic government is at hand-For he must reign until he shall have put down all unrighteousness and insubordination, until he shall have caused every knee to bow and every tongue to confess to the glory of God the Father.

First in order of the Kingdom work will be the binding of Satan-the work f a heavenly, and not of an earthly king. Gradually, in the judgments, decrees, rewards, punishments of mankind and the banishing of sin and death will the great King of Glory reveal his own gracious character and the Father's righteousness to the children of men. Gradually all will have the eyes of their understanding opened to see, not only the Father of all in his true character, but also the Son in his glorious majesty-the Conqueror, "who, for the joy that was set before him, endured the cruss, despising the shame," and bence is at the right hand of Divine majesty and entrusted God's Message of Comfort To the Jews

It has escaped Christendom in peneral until now that the Divine premise to Abraham is to be fulfilled through two Seeds-one a heavenly class, the other an earthly class, with Messiah the Head over all. Financial weights and levers will have much to do with the great crash of the forces of civilization in this nearapproaching cataclysm of trouble, in which the reign of sin, inequity, injustice, selfishness, shall forever fall, to rise no more; and the present religious systems also shall be found wanting and pass away. For these old systems, symbolically the heavens and earth of the present time, will be substituted the New Heavens and the New Earth-the Church glorified beyond the vail as the Bride of the great Messiah, and, Society on earth reorganized, will constitute the New Earth, wherein will dwell righteousness.
