OREGON WINS FOOTBALL GAME

UNIVERSITY OUTPLAYS FARMERS AT CORVALLIS SATURDAY: SCORE 12 TO 0

Special to Daily Guard.

Corvallis, Or., Nov. 12 .- Oregon defeated O. A .C. today in one of the prettiest and hardest-fought games ever played between the rival schools. There was a great crowd present, probably 5000, and the field was in splendid condition, with the best of feeling prevailing between the adherents of the two teams. The game was much more closely contested than the score indicates and the Oregon line was several times broken by the rushes of the O. A. C. In the second half punting was indulged in and Oregon's punts averaged 40 yards, out-classing their opponents in this respect.

There was only one change in Oregon's line-up during the game, Fiser being substituted for Jamison in the second half at right end. O. A. C. changed six players during the game, among them being Simons, in place of Kellogg; Walter in place of Reynolds at quarter; Rasmussen for Captain Hawley, and Richardson in place of Hastings.

The final score was 12 to 0 in Oregon's favor.

A large number of deeds for right-of-way were filed for record in the county clerk's oftee today for the electric railway being projected from Eugene to the coast by the Lane County Asset company. The right-of-way agents have been at work assiduously for a long time and have secured deeds for practically the entire route. They have been closing up the deals during the past few weeks for certain pleess of property between Eugene and Elmira so that company gets ready to begin.

The situation now reverts to the position it occupied before Mayor (Gaynor took a hand, with this exception, that the major is angry and resolved to temporize no more. Some of the drivers and helpers who be leved the Jersey men would ratify the agreement were on their wagons today, but, if the International Brotherhood of Teamsters makes good its word, they will all be called out again.

NOW ALLEGED THAT BELLE ELMORE SUPPOSED MURDERED WOMAN APPEARS IN ALBERTA

Alix, Alberta, Nov. 12 .- There is great excitement here over the report that a woman who arrived in town Wednesday is Belle Elmore Crippen, for whose suspected death Dr. Crippen is under sentence to be hanged in London on November 23.

After the woman alighted from the train she went direct to a livery barn and ordered a team of horses hitched to a wagon. She left a deposit with the liveryman for the return of the team, saying she would send them back next day by a friend. The horses were returned by a farmer. While waiting in the barn the Crippen case was being discussed by a group of men standing near her and one of them remarked:

"I guess they will make old Doc Crippen squawk over in

On hearing the statement the woman fainted, but soon recovered. While in a store the woman eagerly scanned a number of papers and again fainted on reading something concerning the Crippen case.

These occurrences, together with several of a similar nature, led to much excitement and speculation, especially when it was noted that her appearance tallied with the description print-
