Christmas donations by the Eugene public schools, and citizens, also, will be received at Lane's Hall, on Eight street, between Olive and Charnelton, Friday, Dec. 21, 1894. The hall will be open all day and a committee will be there to receive any donation of provision and clothing or any useful thing. We assure the public that all that is donated will be placed to the best possible use and nothing lavishly dispensed, as we have committees of the most reliable citizens of Eugene, aggregating about 20 persons, who will assist in the distribution on Saturday, Dec. 22.

The pupils of the Geary school will leave that building on their line of march to Lane's hall at 2:30 o'clock promptly, Friday afternoon, south to 5th, east on 5th to Willamette, south on Willamette to 8th street, west on 8th to Lane's hall. The pupils of the Central school will leave that building at 3 o'clock, promptly, north on Willamette street to 6th street, and meet Geary school and salute; return to 8th street, thence west on 8th street to Lane's hall. We cordially invite the hearty co-operation and presence of the public, and especially of the patrons.

UNDER ARREST.

A. C. Brown Arrested in Salt Lake City Today.

The way of the transgressor is certainly hard, but just. For the last 10 days Constable Linton has been sending telegrams for the arrest of A. C. Brown, who recently skipped out from here, to various officers in California, Nevada and Utah, asking for his arrest on a warrant charging the bilk with larceny by bailee, in tearing up a note or notes, the property of Mr. Isaac Gray of this city. This afternoon Mr. Linton received a dispatch from Arthur Pratt, chief of police of Salt Lake City, Utah, stating that he has Brown under arrest. He also received a telegram from Brown himself, wanting to know what he is wanted for.

The requisition papers will be sent to Governor Penoyer, at Salem, tomorrow morning for him to sign. If he issues them promptly, Mr. Linton expects to leave Sunday for Salt Lake to bring his prisoner back.

It is to be hoped Brown will be punished for his wrong doing.

Board of Trade.

At the meeting of this body called for last night the box and basket factory matter was brought up. Geo. M. Miller the owner of Fairmount town-site, has offered them a site, and there needs to be a subsidy of \$350 raised, to assist in shipping their machinery here. They also want the right to use the mill race to run their logs in and for other uses. The board telegraphed for their representatives to come to Eugene and when they arrive hope to make satisfactory concessions with them for the establishment of their plant here.

Lecture.

On Friday evening, December 21, Rev. G. W. Grannis, of Salem, will deliver a lecture at the M. E. church in this city. Subject, "Funny Things in Dixie as Seen by a Preacher." Rev. Grannis comes highly recommended as a lecturer, and this one is full of humor and pathos. He has an inimitable way of pleasing his audience, and at the low price of 15 cents admission, we predict he will have a large audience.
