Those who claim to know whereof
they speak say that in a year or so
from now horses will bring the same
prices that they did three years ago.
As a reason for this prediction they
claim that the breeding of horses has
been almost entirely abandoned since
the prices have dropped so low, and
that this will consequently lessen the
number and raise the price. There is
abundance of room for improvement
in this line.

Easter tide.

[Original.]

Ring out ye merry merry chimes,
Ring out in tuneful rhyme,
And proclaim to man both far and
near
The glad some Easter time.

Let trumpets sound and lutes be strung,
Let man for mercy crave,
For did not Jesus Christ our Lord
Win victory o'er the grave?

While celestial music soars on high,
To the foot of mercy's shrine,
Let the sinner on his bended knee
Seek forgiveness Divine.
