The Harrisburg Review says: The Eugene landed at her wharf in this city yesterday at 9 o'clock, and after unloading six or seven tons of assorted merchandise for this place, proceeded up stream with six car loads of freight for Eugene, which place at this stage of water she can easily reach. On her down trip she will take from this city for May & Sanders and Upmeyer 500 sacks of oats for San Francisco and the usual weekly accumulation of products from all the business houses. She will take on board from the Nichols slough 900 sacks of wheat for Guthrie, Balfour & Co. of Portland, and 1000 sacks of oats consigned to San Francisco account, via Yaquina.

A MERRY CROWD.—The Eugene delegates to the U E convention at Saternoon, and a merry crowd they were. As the train slowed down the usual crowd which assembles daily to see the big engine and the cars was somewhat startled and agreeably surprised to hear sweet strains of music issuing from the coaches, but soon after discovered the cause as the Endeavorers came forth, continuing their singing and winding up with "God Be With You 'till we Meet Again" as the train pulled out of the station.

CASE DISMISSED.—The case of Dr. Artman vs G. M. Jackson, assault and battery, was heard at Junction City Saturday. Dr. Artman left town that morning, and did not return, so a jury was impaneled and the case proceeded without him. Five witnesses for the prosecution were examined, and the prosecuting attorney then moved for a dismissal of the case, as there was no evidence justifying the arrest. He also moved that the costs in the case be assessed to Dr. Artman, and the justice complied with the motions.

COBWEB SOCIAL.—The cobweb social given by the young people of the M E church Saturday evening was quite well attended and was well carried out. The refreshments served were very nice and the lemonade seemed to be relished by those who were fortunate enough to get any of it.

Whiskers Beaten.

The much talked of foot race between Trine (Whiskers) of Henderson and Whitney of Cottage Grove took place at the Harris race track west of town Saturday afternoon. A large crowd, mostly sporting people of this city and Cottage Grove, was present and excitement ran high. Betting was indulged in quite freely and large sums of money changed hands over the result.

As was previously stated a horse race was also run. The race was between Red Bird, owned by McKinney of Cottage Grove and Bay Dick, owned by Gilcrest of Creswell. It was a 600-yard dash and the latter won the race. The purse was a horse.

Considerable time was lost in preparing for the foot race and it was not run until about half past four o'clock. The excitement was intense when the sprinters appeared on the track and when the result was known the cheering became terrific. Whitney won in a 100-yards run by about a foot and a half, and it was the Cottage Grovelites who were making most of the noise. The result was a complete surprise to the Eugenelites, as they were confident "Whiskers" would win the race and had done some heavy betting on him.

TWO MORE HAVE GONE.

Pioneers John Bailey and John Stoops Depart This Life.

John Bailey, known by all the old residents of Lane county, died at his home five miles southwest of Eugene Sunday afternoon, May 12th, aged a little over 77 years. He had been in poor health for some weeks, suffering with la grippe, then pneumonia, and finally lung fever. Mr. Bailey was born in Clay county, Kentucky. He crossed the plains in 1847, arriving in Lane county in the fall of that year. He was married in December 1850, to Elizabeth Wright, and five children were born unto them by that union. Mrs. Bailey died April 2nd, 1881, and Mr. Bailey, September 2, 1892, married Mrs. Murphy, and five children were the fruit of that union. Mr. Bailey has always lived an honorable, upright life, and at one time held the office of county commissioner, but further than that took no prominent part in public affairs.

The funeral services will be conducted at his late home tomorrow, and the remains will be buried in Oak Hill cemetery.

John Stoops, one of the pioneers of 1853, died at his home at Pleasant Hill Saturday, May 11th, aged 75 years, of dropsy.

Mr. Stoops was born in Hamilton county, Ohio. He came to Oregon and to Lane county October 15, 1853. He was married in March, 1841, to Nancy Lowe, who died several years ago, and he was again married to Phoebe Parker. He was the father of eleven children, nine of whom are living.

The funeral services were conducted at his late home today at 11 a. m. and the remains were buried in the Pleasant Hill cemetery.

Beware of Quack Remedies for Catarrh That Contain Mercury.

Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by all druggists, price 75c. per bottle.
