Reader, did you ever take SIMMONS LIVER REGULATOR, the "KING OF LIVER MEDICINES?" Everybody needs take a liver remedy. It is a sluggish or diseased liver that impairs digestion and causes constipation, when the waste that should be carried off remains in the body and poisons the whole system. That dull, heavy feeling is due to a torpid liver. Biliousness, Headache Malaria and Indigestion are all liver diseases. Keep the liver active by an occasional dose of Simmons Liver Regulator and you'll get rid of these troubles, and give tone to the whole system. For a laxative Simmons Liver Regulator is BETTER THAN PILLS. It does not gripe, nor weaken, but greatly refreshes and strengthens.

Every package has the Red Z stamp on the wrapper. J. H. Zeilin & Co., Philadelphia.

Weekly Hop Review.

Otsego, N. Y., Farmer: There has been some slight movement in the local market, over 200 bales having been picked up here, as follows: Twelve bales at 5 cents; 33 bales at 6 cents; 150 bales at 7 cents; 20 bales at 8 cents; and a lot of Humphries at 8½ cents.

Growers will generally finish picking this week, and by next week we hope to be able to furnish reliable figures on the yield in this county. So far as we have been able to learn hill yards are falling off most in yield, while properly cultivated valley yards hold nearer to last year's crop. One Middlefield grower running two farms reports the same yield as last year on his low lying farm, and on his hill farm a fall from 550 boxes to 360, with one acre more this year.

Another reports a falling off from 325 boxes to 125 boxes, same acreage as last year. Two other growers, whose aggregate yield last year was over 2,600 boxes, will have about 1,100 this year with three acres less. A large Springfield grower reports a falling off of one quarter. Another grower running three farms, reports a shortage of one-half. We think the yield on the whole will be from 65 to 75 per cent of last year.

Funeral Notice.

The brethren of Eugene Lodge, No. 15, A. O. U. W., are invited to attend the funeral of our deceased brother, M. B. Pitney, at Junction City, Sunday, at 12 o'clock.

C. P. HOUSTON, Recorder.

Hop Pickers Wanted.

I want 75 pickers at the Bushnell hop yard, just north of Eugene, Monday, Sept 23.

T D LINTON.

THE BEST YIELD.—Salem Statesman: Perhaps the best yield of hops on the Pacific coast, if not in the world, is reported from the Neis yard near Springfield, Lane county. The yard contains 26 acres and from it have been gathered 65,000 pounds, besides 1200 boxes that were left on the field unpicked on account of discouragement as to prices. Had the whole crop been picked it would have made 80,000 pounds, over 3,000 pounds to the acre. The quality is also excellent.

DIED.—In Eugene, Sept 21, after a few days illness, of congestion of the lungs, Watson A Craig, aged 46 years. He was a native of Virgina. He leaves a wife and three children. The funeral will take place tomorrow afternoon at 2 o'clock, from his late residence on First and Washington streets to the Mulkey cemetery. Short services at the residence.

Dr A Sharples was in the city today. He says he will have 70,000 lbs of dried prunes, and that he will finish work next week. He has already in his warehouse 38,000 lbs.

Dr H A Davis, of Harrisburg, picked 55 acres out of 105 of his hop yard.

We promised sometime ago to give the yield of wheat raised by G C Millett on his farm east of town, but until the grain was weighed out we were unable to obtain the correct figures. On 89 acres, 19 of which was new land, the yield averaged a fraction over 64 bushels per acre. He had 320 acres in wheat and his total crop amounts to over 11,000 bushels. Mr Millett is one of our most successful wheat raisers and it affords us pleasure to chronicle his successful harvest.

For Her Child's Sake.

COTTAGE GROVE, Sept. 10.—This community was horror-stricken this morning upon learning the fate of Mrs Mary Grousbeck, who was burned to death last night on Row river, 10 miles from here. She was sitting by the fire about 5 p. m., nursing her baby, six weeks of age, when her dress caught from the flames. She put her baby in the cradle, but by the time that was done, she was all ablaze. Her husband was away from home, and her sister, returning from school, heard her screaming, but reached her too late. Her clothing being all burued off. Her sister wrapped her in bedclothing and immediately sought aid, but the injured woman died at 11 p m.

Mrs Grousbeck's maiden name was Coleman. She had been teaching school for 10 years, was a graduate, and had two state diplomas, one from Oregon and one from Minnesota. She was 28 years of age, and came from West Point, Minnesota.

DIED.—At its birth, September 20, 1895, a child of Mr and Mrs Chas E Roberts, who reside near this city. The funeral will be held at the Irving cemetery tomorrow.
