THURSDAY, - - NOV. 21, 1895.

Salem is talking of rebuilding the woolen mill.

The report of the assassination of the sultan of Turkey is not confirmed. His life however is in constant danger.

That is a horrible murder perpetrated near Brownsville. And the horror of the deed is intensified by the strong suspicion that the son deliberately murdered his father and mother.

Reports from San Francisco concerning the rate war between the Southern Pacific and O R & N companies are that the latter was handling 70 per cent of the travel while the former claimed it was entitled to 60 per cent. Each claims it was willing to divide traffic equally, but it appears no compromise could be effected. In consequence of the cut in rates 600 people left Portland for San Francisco Tuesday evening.

Adventist cranks again foresee signs of the end of the world. They claim that the Turkish empire corresponds to that mentioned in the ninth chapter of Revelations, and the great battle of Armageddon will soon be fought. One would naturally suppose adventist would sometime or other get weary of prophesying the dire catastrophe to this venerable world. But they do not. After each failure they come up to the scratch, smiling, with another date.

Barney Barnato, the biggest man in London today, has just made a startling revelation. In an advertisement of a recent meeting of the directors of the New Primrose Company, one that Barney claims to be second to none among the South African properties, the November returns are $85,000. Considering that the captalization of this company is $1,250,000, it will be readily seen that it shows but very poorly when compared to a hundred or more properties in Colorado, Montana and California. The $15,000,000 that Barney, a few days ago, placed in the hands of London brokers to avert the inevitable pin from pricking the bubble of this gigantic mining boom, will either require an additional sum or the end must necessarily come. Englishmen seem to have lost their heads. Every one of them is crazy to invest in South African schemes. It will all end like the South Sea bubble. The bottom will certainly fall out and it will end in a panic. Great houses will totter and thousands will see their fortunes wrecked. When that day comes everybody will curse Barnato, and he will leave England followed by just such a storm of abuse as pursued John Law in his flight from France after the collapse of his Mississippi scheme. The average Englishman will do well to let Barney alone and be satisfied with surer gains, which are the reward of well directed efforts in legitimate enterprises. Fortunes of two or three hundred millions will not come to many of the money devil's worshippers. Once in a generation or so, such a freak of luck comes to some gluttering speculator, and those who follow in his footsteps find only ruin and poverty. Where one may get rich in speculation, thousands lose their last dollar.

The street committee is doing good work keeping the crosswalks clean.

When you see a young man with a mop of hair parted in the middle, with locks hanging on the temples, put him down as a football crank or a dude. In many such cases their sexuality is a serious mistake.

Bohemia mining district is booming. Four mills have already been taken in and the fifth is on the road. These mills are of the latest construction and will soon demonstrate what the future of the mining camp will be.

The current quotation on silver means little or nothing, smelters have contracted for their bullion for months to come to the big agencies in New York and many of these in turn have sold to London. The market will no doubt be steady at or near the present price until these contracts are filled. Then it may go higher, and it may not.

Town Topics: Mrs Gayboy—Do you believe in second marriages? Mrs Golightly—Well, I suppose they are necessary in order to have a third or a fourth.

LOOK OUT FOR BREAKERS AHEAD

when pimples, eruptions, boils, and like manifestations of impure blood appear. They wouldn't appear if your blood were pure and your system in the right condition. They show you what you need—a good blood-purifier; that's what you get when you take Dr. Pierce's Golden Medical Discovery.

It carries health with it. All Blood, Skin and Scalp Diseases, from a common Blotch, or Eruption, to the worst Scrofula, are cured by it. It invigorates the liver and rouses every organ into healthful action. In the most stubborn forms of Skin Diseases, such as Salt-rheum, Eczema, Tetter, Erysipelas, Boils and kindred ailments, and with Scrofula, in every shape, and all blood-taints, no matter from what cause arising, it is an unequaled remedy.

SCROFULOUS ABSCESSES.

MRS. BELLE SWEENEY, of *Flat Top, Mercer Co., W. Va.*, writes: "About four years ago I took scrofula, and did everything that doctors and others prescribed, but only got worse. Several abscesses formed about my neck and breast, disharging a quantity of matter. I got so weak I could scarcely walk about the house. I read all the medical works I could get hold of, and, among the rest, read some of your works. You described my case, and recommended Doctor Pierce's Golden Medical Discovery with his 'Pleasant Pellets.' So I procured some and commenced using them and soon began to mend. In six months my sores were all healed up. I am forty-five years old and believe I am as stout as I ever was in my life. I used about one dozen bottles of the 'Golden Medical Discovery' with the 'Pellets,' and used nothing else after I began using your medicines."
