One Minute Cough Cure is rightly named. It affords instant relief from suffering when afflicted with a severe cough or cold. It acts on the throat, bronchial tubes and lungs and never fails to give immediate relief.

The estimated amount of state revenue to be raised this year, \$789,000, is based upon the assumption that, if the ordinary expenses of government are the same as last year, \$694,521, the excesses will amount to \$89,459, which will bring last year's figures up to, in round numbers, \$783,000. This would give a rate of 5.4 mills.

If suffering with piles it will interest you to know that DeWitt's Witch Hazel Salve will cure them. This medicine is a specific for all complaints of this character, and if instructions (which are simple) are carried out, a cure will result. We have tested this in numerous cases, and always with like results. It never fails.

The secret of a speedy cure in sickness lies in selecting the proper remedy and this is difficult to do unless one is sure what the ailment is. But one thing is sure, had the liver been actively at work sickness could not have come. It is then always safe to take Simmons' Liver Regulator which keeps the liver well regulated and all poison expelled from the system.
