GRANGE RESOLUTIONS.

Last December the state grange of Pennsylvania adopted the following resolutions:

Whereas, The American Protective Tariff League and Home Market Club are assumed to be well versed in the operation of protection by a tariff on imports and are assumed to be representative exponents of protection; therefore be it

Resolved by the state grange of Pennsylvania, at its regular annual meeting held at Williamsport, Pa., that we respectively, earnestly and urgently request said Tariff League and Home Market Club to forward to the secretary of this state grange for general publication, replies to the following questions:

First—Can a tariff on imports directly or indirectly protect the home prices of agricultural staples as long as the surplus is sold for export, and the export and the home price for these are the same?

Second—If it cannot must not this unprotected industry pay for the cost of protection of the protected industries?

Third—Is not such a system of protection injuriously unjust and inequitable to the producers of agricultural staples.

Fourth—Will not a bounty on the export of agricultural staples for the protection of their prices in the home market be just and equitable so long as protection by a tariff on imports is in operation?

The American Protective Tariff Leagne made no reply to the challenge.

For the offices of sheriff and clerk the democrats have nominated Messrs. Horace Hampton and Stoven Spencer, both native sons of Lane county. They are not only deservingly popular but are also competent to fill the offices in a first-class manner.

Corvallis Times: The nomination on the democratic ticket of Judge John Burnett for associate justice of the supreme court is a deserved compliment to an able jurist. A pioneer lawyer of the state, a citizen of worth and a notable example of a self-made man, Judge Burnett if elected would bring strength and respect to the supreme court. Many an old timer in all Willamette valley counties will cast aside partisan feeling in June and drop in a vote for John Burnett.

Brownsville Times: The plank in the Oregon state platform on finance is about as easy for a silver as a gold man to stand upon, still it does not commit the republican party to any policy. That is where it is weak. If it means free silver, it should say so; if not it should be equally plain. In fact silver men rather have the best of it. With all the boasted independence of the republican party it is too weak-kneed to come out plainly on the money question, as do the democrats.

Contradictory statements sometimes creep in on the most heartily werked for proposition. For instance the Globe-Democrat—which is one of the most pronounced of the gold standard papers, and has been promulgating the statement that the only silver advocates were silver mine owners and those interested with them—recently says: "As a politician, Senator Carter is for free silver; but as a business man, he is part owner of one of the principle gold mines in Montana."

Boston Herald: The Oregon democrats declare explicity for free silver, and the Oregon republicans straddle the questions. As between the financial planks of the two parties, the democratic position is entitled to more respect. It is wrong but it is not cowardly as well." Even the Eastern gold bug condemns the straddle proposition. It is natural for the press of that section to think that the silver proposition is wrong, and their opinions as to the democratic platform have no weight in Oregon.

Get on to the Northern Pacific Flyer.

The change of time, via the Northern Pacific and Burlington route, effective Sunday, April 12th, enables passengers to leave Portland daily at 5 p m, reaching Lincoln, Neb, at 12:55 noon; Omaha 4:05; St Joseph 5:50; Atchison 6:30; Leavenworth 7:35, and Kansas City 8:05 on the evening of the third day; Chicago 8:20 and St Louis 7:19 on the morning of the fourth day. You can see from this that the Northern Pacific reaches Omaha in two days and 23 hours; Chicago and St Louis 3½ days, which equals the fastest run made by any other road. If you will compare our schedule from Portland to Lincoln, St Joseph, Atchison, Leavenworth and Kansas City you will see that the Northern Pacific and Burlington via Billings, beats all other roads into Lincoln four hours; St Joseph 12 hours; Atchison 12 hours; Leavenworth 14 hours, and Kansas City 10 hours and 45 minutes, where immediate connections are made in union depots for all points East and South. Everybody knows that the "Northern Pacific Yellowstone Route" is the finest equipped railroad in America for all classes of travelers. Therefore, before starting East don't buy a ticket until you have written to or called upon R McMurphey, General Agent, Eugene, Oregon.

That hideous and deathly demon of sickness—constipation, is an easy enough thing to cure if you take the right medicine. Constipation is one of the commonest things in the world. It is really one of the most serious things. Fully nine-tenths of all the ordinary sickness of mankind is due to this one cause. If you place an obstruction in the gutter, it will stop the flow of water, and gradually a mass of poisonous, putrefying matter will accumulate. That is exactly what happens in the digestive organs when constipation begins. Poisonous matter accumulates and is forced into the blood. It goes all over the body and causes all sorts of symptoms. A few of these are dizziness, flatulence, heartburn, palpitation, headaches, loss of appetite, loss of sleep, foul breath, distress after eating, biliousness and eruptions of the skin. These things are unpleasant, but they are not serious. The serious things come afterward. Doctor Pierce's Pleasant Pellets are for the cure of constipation. They are tiny, sugar-coated granules, easy to take, mild and efficient in their action. One is a gentle laxative, two a mild cathartic. There is nothing else in the world like them. There is nothing that takes their place. There is nothing "just as good," although lieing and unscrupulous druggists may sometimes tell you so for their own profit. Do you want to lose your health so that the druggist can get rich?
