CLOSING EXERCISES.—The closing exercises of Decoration Day, which were so fittingly observed by the citizens of Eugene and vicinity, were held at the opera house Saturday night, being witnessed by a large audience. The program consisted of prayer, music, recitations, a flag drill by 24 little girls, and an address by Dr C E Loomis. The program of the evening was well rendered and together with the exercises of the day have served to plant more deeply in the minds of the people a due amount of reverence for the veterans who fought to save the country.

A TARIFF SPEECH.—Wallace McCamant of Portland, addressed a few republicans at the court house Saturday night. Owing to exercises of the G A R at the opera house, which drew most of the patronage, Mr McCamant had a very limited audience. Like most of his predecessors of the republic party, he took up most of his time discussing the tariff question. The silver question, which the people of Lane county are so anxious to learn more about, received but little attention at the hands of Mr McCamant.

So far 85 persons have signified their intention of going. Round trip rate \$2.50, train leaving here the morning of June 6, passengers returning that night or the next day, as they desire. There are More Ways of Skinning An Fish than one. This is of course, no news to the veteran fishermen who clean their own fish. But there is always a best way in everything. The best way to overcome or prevent malaria, to conquer incipient rheumatism or kidney trouble, and to relieve dyspepsia, biliousness, constipation and nervousness, is to begin without delay, and to pursue steadily and regularly the use of Hostetter's Stomach Bitters, a standard medicine endorsed by medical men everywhere. It strengthens the system and improves the appetite and sleep of those who employ it as a restorative, and accomplishes health giving results fairly astonishing to those previously unacquainted with its efficacy. Invalids of all sorts testify in its behalf. It is the leading tonic of this era.

THE ELECTION AT PORTLAND.

It is believed that the Mitchell Ticket and Penoyer are in the lead.

special to the GUARD.

PORTLAND, June 1, 4 p. m.—The election is passing off very quietly. A very heavy vote is being polled. There have been several arrests made for illegal voting and a few personal encounters are reported.

Sam Goodman, a Simon "heeler" was arrested shortly afternoon for attempting to vote four prisoners from the county jail.

The impression prevails at this hour that Penoyer, for mayor, and the Mitchell legislative ticket, were in the lead.

Deafness Cannot Be Cured.

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or im effect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

False Impression Corrected.

The impression that gained credence at the cemetery Saturday, May 30th, during the decoration of the graves of our departed comrades, that a visiting comrade had deposited flowers in memory of his Southern comrades, it is my pleasing duty to correct in behalf of our visiting comrade, with whom I have been acquainted for several years, and that the "Mississippi Marine Brigade" was recruited by Col. Elliot of the United States service, for the purpose of patrolling the Mississippi river from New Orleans to Memphis to keep the river clear of marauding parties that infested that section. For the record of this brigade, reference is made to the "Official Records of the War of the Rebellion."
