Miners are passing through Eugene daily for the Blue River mines. This district will be thoroughly prospected this summer. We predict that in less than two years it will have a population of several thousand.

There's more clothing destroyed by poor soap than by actual wear. "Hoe Cake" soap contains no free alkali and will not injure the finest lace. Try it and notice the difference in quality. Hall & Son.

The benefit entertainment for Miss Seal at the M. E. church last evening was fairly well attended, considering the other attractions in the city. Each person on the programme acquitted themselves in a creditable manner.

Small in size, but great in results. DeWitt's Little Early Risers act gently but thoroughly, curing indigestion, dyspepsia and constipation. Small pill, safe pill, best pill.

OSBURN & DELANO.

The U. B. ice cream social at the Chicago restaurant last evening was a very successful affair. Over 200 people partook of lunch. The Eugene Cornet Band furnished most delightful music for the occasion.

We might tell you more about One Minute Cough Cure, but you probably know that it cures a cough. Every one does who has used it. It is a perfect remedy for coughs, colds, hoarseness. It is an especial favorite for children, being pleasant to take and quick in curing.

OSBURN & DELANO.

The fact that women are beginning to carry matches is held by one authority to be a sign of her development in the masculine direction. But there is another explanation. The use of the wheel and the necessity of keeping the lamp lit is better. It is well to remember that in asking a red-headed woman for a light you should always avoid looking at her hair.

When we consider that the intestines are about five times as long as the body, we can realize the intense suffering experienced when they are inflamed. DeWitt's Colic and Cholera Cure subdues inflammation at once and completely removes the difficulty.

Parks' Sure Cure is a positive specific in all diseases of the Liver and Kidneys. By removing the uric acid in the blood it cures Rheumatism. S. B. Hasford, of Carthage, S. Dakota, says: "I believe Parks' Sure Cure excels all other medicines for Rheumatism and Urinary disorders." Sold by A. YERINGTON.

It is reported that Union county is to have another contest over the school superintendent's office. J. E. Reynolds's election will be contested on the ground that he offered inducements to the voters by promising to turn the office over to Miss Nellie Stevens and allow her to draw the salary.

It would be hard to convince a man suffering from bilious colic that his agony is due to a microbe with an unpronounceable name. But one dose of DeWitt's Colic and Cholera Cure will convince him of its power to afford instant relief. It kills pain.

OSBURN & DELANO.

A Dayton, Oregon, dispatch says: The recent dry hot weather has done much damage to the small grain through this section. Farmers say unless rain comes soon the oat crop will be very light. Fully two-thirds of the hop yards around Dayton are not being worked this year.

One leading cause of malaria and fever is the foul condition of kitchen sinks and waste pipes, as soap will not deodorize them. The only thing that will cleanse such places is pure caustic, which can be obtained at the grocers and labeled Red Seal Lye. Is fine granulated, in large sifting top cans, handy to use and absolutely pure.

HALL & SON.

We are anxious to do a little good in this world and can think of no pleasanter or better way to do it than by recommending One Minute Cough Cure as a preventive of pneumonia, consumption and other serious lung troubles that follow neglected colds.

Among Some of the Fairest Scenes

On this continent and in the tropics, malaria poisons the atmosphere with its pestilential breath, sowing the seeds of disease and death in every direction. It is in such localities that the preventive and remedial qualities of Hostetter's Stomach Bitters are most conspicuously shown. For every form of malaria it is a signally efficacious remedy, and conquers disorders of the stomach, liver and bowels, remedies inactivity of the kidneys, and counteracts the weakness and lack of stamina which invades disease by leveling the barrier which a vigorous operation of the digestive and excretive organs opposes to it. No defensive medicine in use has stronger commendations in professional quarters both for purity and remedial qualities.

MARRIED.—At the residence of the bride's parents, Mr. and Mrs. W. W. Haines, on East Ninth street, in this city, Tuesday evening, Mr. Wm. Stevens and Miss Belle Haines, Rev. W. S. Gilbert of the First Presbyterian church officiating. The contracting parties are well known and popular young people of this city and the GUARD, along with their host of friends, tenders congratulations. The newly married couple have taken up their residence at the corner of 4th and Hilyard streets.

WOOL STOLEN.—Some one entered May & Senders warehouse at Harrisburg last night and stole five sacks of wool, worth about \$100. One of the sacks was found lodged in the river this morning by a fisherman. The parties committing the theft evidently were in a hurry to get away and had lost one of the sacks off of the wagon. They have not been apprehended yet.

SUICIDE FEARED.—Lakeview Examiner: "Rev. Fysh received a letter last week from J. D. Sellers, dated at Ashland, June 14, and mailed at Ager on the 15th, in which he said that that night would be his last in this world. Family trouble was supposed to be the cause, Sellers having separated from his wife not long ago. No account of his death has appeared in the papers, which leads some to believe that he failed to commit the rash act. Others think he has wandered off to some secluded spot and destroyed himself."

Mr. Sellers was formerly a resident of Pleasant Hill.

CAR OF EXCURSIONISTS.—An extra car, filled with excursionists from points south of here, was attached to the north bound local train, for the Portland Fourth of July celebration.

There were aboard 34 from Roseburg, 6 from Riddle, 2 from Myrtle Creek, 1 each from Drain, Wilbur, Comstock and Cottage Grove, 6 from Oakland, 5 from Creswell and 3 from Goshen. The round fare was placed at \$6 from these points.

There is more catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors recommended, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 50 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer \$100 for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O.

Sold by druggists, etc.

There are two reasonable things which everybody should do: take good care of one's health; and if lost, regain it quickly, and to this everybody will agree. And there are a great multitude of people who are agreed that for both purposes Simmons' Liver Regulator is the best helper. "I am troubled with torpid liver and nothing gives me relief so quick like Simmons' Liver Regulator."—R. R. Strange, Lake City, Fla.

This is only one of thousands of similar cures. Eczema, sores and skin diseases yield quickly when it is used.
