WEDNESDAY, - OCTOBER 21.

FLAG DAY.

National Chairman Jones has appointed Saturday, October 31, as flag day for the followers of Bryan, the same day set by Mr Hanna for the followers of McKinley. McKinley wants the flag unfurled for all believing in sound money. Mr Bryan says: "We who believe in money of the constitution are for sounder money than those who want to change our currency into pounds, shillings and pence. We who believe in a basis for our financial transactions to rest upon, believe in a sounder financial system than those who advocate the gold standard and a financial system based upon gold alone when you cannot get gold to your foundation."

Mr Jones says: "The American flag has always been the emblem of national honor, and it will always remain so. It is too sacred to be prostituted to partisan purposes, as has been attempted for the first time in this campaign. Its influence has always been for good of mankind. Its display is always potent for the advancement of all that is best in our government, for it appeals to every sentiment of patriotism and national pride."

"I therefore suggest that on Saturday, October 31, all those who desire to preserve the country's honor and independence, as it came to us from the fathers; who believe in the rights of every man, rich or poor, to cast a free and untrammelled ballot; who oppose government by corporations and the coercion of voters, and desire that real and genuine prosperity may once again return to bless our people, display the national colors at their homes, their places of business and wherever else they may be seen, in order that voters whose hearts are for their country may be cheered and their purposes strengthened and that those who are wavering may take courage of their patriotism to perform their duties as citizens, to the end that government of the people, by the people and for the people shall not perish from the earth."

A FELONIOUS ACT.

It is announced that Boss Hanna's lieutenants will endeavor to hire Bryan voters to stay away from the polls, hoping to carry the presidential election through absenteeism. It is not likely that the attempt will be made in this state, especially as it would be a felonious act. Secs. 1850-1, Criminal Code of Oregon, provides: "Any person who shall induce or persuade any legal voter to remain away from the polls, and not vote at any general election in this state, shall, on conviction, be deemed guilty of a felony and shall be punished by imprisonment in the penitentiary not less than one nor more than three years, and shall be forever ineligible to hold any office of trust or profit in this state."

It is estimated that Bryan will carry the following counties by majorities as follows: Baker, 500; Benton, 200; Clackamas, 400; Curry, 10; Crook, 50; Douglas, 400; Jackson, 1000; Josephine, 100; Lane, 250; Linn, 1000; Lake, 100;

Lincoln, 25; Gilliam, 25; Marion, 400; Grant, 100; Morrow, 100; Polk, 25; Klamath, 50; Harney, 250; Malheur, 250; Union, 1000; Umatilla, 250; Willamette, 250; Washington, 25; Wasco, 100; Sherman, 25; Tillamook, 25; Columbia, 200; Yamhill, 250. They concede McKinley Clatsop county by 350 and Multnomah by 3,500.—Ex.

Remember that Oregon voters who wish to support Wm J Bryan for president must vote for the following fusion electors: N. L. Butler, W. H. Spaug, E. Hofer, Harry Watkins. The electors headed "national democrat" are the goldbug McKinley assistants, and should only be voted for by suckers, or by those who wish to assist McKinley by giving him a half vote. Bear this in mind, voters.

There are in the office of the treasurer of Benton county funds amounting to \$2824, with which old outstanding warrants could be paid were they presented for redemption. Some of these warrants were issued as far back as April, 1887.

Doctors are often handicapped by the mere fact that when treating the diseases of women, they suggest and insist on "examinations" and "local treatment." A great many of them do not know that this is absolutely unnecessary. Many a woman has been thrown into a dangerous state of nervous excitement by the mere suggestion of such treatment. Many women lie to the doctor. That sounds hard, but it is undoubtedly true. They know that if they admit certain symptoms that the doctor will inevitably insist on an "examination." They do not give him all the facts in the case, and so he works in the dark. Quite often the doctor is too busy and too hurried to make the necessary effort to obtain the facts. He frequently treats symptoms for what they appear to be on the surface, when the real cause and the real sickness is deeper and more dangerous. A derangement of the distinctly feminine organs will derange the whole body. The woman herself may not know exactly what is the matter with her, but whenever she is sick, there are two things she should look out for first. One is what is called "female weakness," the other is constipation, for these two things frequently go together. Dr. Pierce's Favorite Prescription is designed for the cure of diseases and disorders of women, and it does cure them. It has been performing its healing mission for 30 years, and tens of thousands of women have been made happy by it. Dr. Pierce's Pleasant Pellets are for constipation, and contingent ills. Druggists sell them, but sometimes in well meaning ignorance, they will try to sell you something else. There is nothing "just the same" or "just as good." The druggist who tells you there is, is either mistaken or dishonest.

If you care to know more about your own body, send at once stamps to cover cost of mailing only, and you will receive absolutely free a copy of Dr. Pierce's "Ladies' Guide," Common Sense Medical Adviser. Address, World's Dispensary Medical Association, Buffalo, N. Y.
