SIMMONS LIVER REGULATOR
THE BEST
SPRING MEDICINE
SIMMONS LIVER REGULATOR—don't
forget to take it. The Liver gets sluggish
during the Winter, just like all nature,
and the system becomes choked up by
the accumulated waste, which brings on
alaria, Fever and Ague and Rheuma-
tism. You want to wake up your Liver
now, but be sure you take SIMMONS
LIVER REGULATOR to do it. It also
regulates the Liver—keeps it properly at
work, when your system will be free from
sickness and the whole body invigorated.
You get THE BEST BLOOD when your
system is in Al condition, and that
only be when the Liver is kept active.
Try a Liver Remedy once and note the
difference. But take only SIMMONS
LIVER REGULATOR—it is SIMMONS
LIVER REGULATOR which makes the
difference. Take it in powder or in liquid
already prepared, or make a tea of the
powder; but take SIMMONS LIVER REGU-
LATOR. You'll find the RED Z on every
package. Look for it.

A Bright Lad.
Linn county can boast of the young- est school teacher in the state, perhaps in the United States. In the person of Lester Humphrey of Foster. He is just 13 years of age, and has passed the teacher's examination in this county with a total average of 80, enough to warrant a second grade certificate, but on account of his age and it being his first examination, only a third grade certificate could be issued to him. Young Humphrey is a wonder, and is not only advanced in "book learning," but as brilliant in every respect. We predict a bright future for this youngster and we would like to see some of our mushy-vaunted city kids show down with this "countrybred" boy who has been educated in the rural school house.—Albany Imprint.

SKINNED ALIVE.—Oregon City Courier: A child was taken sick at its home near town last week and the parents not knowing what to do for the child, which had symptoms of pneumonia, were persuaded by an old woman to skin two cats alive and wrap the child up in them. The child improved of course and would if warm cloths had been used instead of the cat skins. The worst of it was that the cats were left to die instead of being killed as soon as the skins were taken off. If the cats had been skinned after being killed the heat would have still been in the hides. Where is our humane society?

The football season being over the Chicago Times sums up the result: Killed, 3; dangerously injured, 9; legs broken, 2; arms broken, 2; noses broken, 9; ribs fractured 12; collar, bones broken, 9; ankles sprained, 22; shoulders dislocated, 9; other dis- locations, 14; miscellaneous accidents, 34. It was quite a successful season.

Fifty Years Ago.
President Polk in the White House chair, While in Lowell was Doctor Ayer; Both were busy for human weal One to govern and one to heal. And, as a president's power of will Sometimes depends on a liver-pill, Mr. Polk took Ayer's Pills I trow For his liver, 50 years ago.

Ayer's Cathartic Pills
were designed to supply a model purgative to people who had so long injured themselves with griping medicines. Being carefully prepared and their ingredients adjusted to the exact necessities of the bowels and liver, their popularity was instantaneous. That this popularity has been maintained is well marked in the medal awarded these pills at the World's Fair 1893.

Juniors and Seniors Entertained.

The Misses Barbara and Henrietta Lauer entertained the members of the Junior and Senior classes of the university at their elegant home on Sixth and Willamette streets Saturday evening. The furniture was taken out of the sitting rooms and parlor and camp stools provided for the convenience of the guests. The early part of the evening was spent in playing flower games, listening to music, playing charades, etc. In the flower games Edith Harris took first prize, while C Davis won the looby. This game was followed by a song by Lulu Ronshaw, after which some time was spent in playing charades, the seniors coming out victorious. Cards bearing Roman numerals were passed around each among the ladies and gentlemen and those getting corresponding numbers found partners for supper, which was served from 10:15 to 11:45. Two long tables were spread with dainties of the season—one each for the Juniors and Seniors. The tables were lighted with candles and were decorated in the respective class colors, the Juniors being red and white and the Seniors purple and yellow. The dining room was decorated with mistletoe and holly. The souvenirs consisted of a large stick of candy with red and yellow ribbons attached. Through the center of each stick ran the words "U of O." The cards handed the young ladies also bore quotations and after supper some time was spent in guessing the authors. In this Miss Theresa Friendly took first prize and Miss Etta Eastland, second. Those present were:
