ANOTHER PRODUCT.—Oregon can raise many products that have been neglected in the past. The way to make the state flourish is to raise every product possible. During the past summer Peter Boler, who resides in Springfield precinct raised several hundred bushels of canary seed, and he has sold the same in Portland, Salem and Eugene. He received four cents per pound for the seed. It is better than the canary seed raised in California and other states, weighing considerably more to the bushel.

THE FINEST—Perfumes in the world are the LONDON CROWN. We have the following leaders: MATSUKITO, WHITE ROSE, VIOLETTE DE PARMA, WHITE HELIOTROPE, PEAU D' ESPAGNE and CRABAPPLE BLOSSOM. Also a line of odors of the best American perfumes. Do not be deceived by cheap prices on perfumes. They are a delusion and a snare. A good line of other toilet novelties.

## Andy Lane Dead.

Lakeview Examiner: "Word was received from Silver Lake Tuesday night that our honored county commissioner, A V Lane, had died at his home there on Sunday evening, Dec. 13th. The end came peacefully and without warning he had been out feeding his stock and feeling a little tired, laid down. Mrs Lane noticed he was breathing hard, and went to his assistance. He was raised up but wished to lie down again, and in a few moments breathed his last.

"A V Lane was 44 years old, and leaves a wife and three children. His brother, William A Lane, and three sisters live in Linn county, Oregon. Mr Lane and Hon S P Moss were boys together, and both came to this county from Big Valley, Cal., in 1873. Mr Lane was elected county commissioner in 1890, and again in '94, as a democrat, and has served the people of Lake county in a very efficient and creditable manner. His hosts of friends will greatly deplore the loss of so valued a citizen. The sorrowing family have our heartfelt sympathy."

In speaking of Chamberlain's Colic, Cholera and Diarrhoea Remedy Major Picton says: "I have used it myself and in my family for several years, and take pleasure in saying that I consider it an infallible cure for diarrhoea and dysentery. I always recommend it, and have frequently administered it to my guests at the hotel, and in every case it has proven itself worthy of unqualified endorsement." For sale by Osburn & DeLano.

## The Grandest Remedy.

Mr R B Greeve, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear, but got no relief; spent many nights sitting up in a chair; was induced to try Dr King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business, and says Dr King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr King's New Discovery is guaranteed for coughs, colds and consumption. It don't fail. Trial bottles free at Henderson & Linn's drug store.

When most needed it is not unusual for your family physician to be away from home such was the experience of Mr J Y Schenck, editor of the Cadiz, Ind. Ter., Banner, when his little girl two years of age was threatened with a severe attack of croup. He says my wife insisted that I go for the doctor, but as our family physician was out of town I purchased a bottle of Chamberlain's Cough Remedy, which relieved her immediately. I will not be without it in the future." 25 and 50 cent bottles for sale by Osburn & Delano.
