Fifty Years Ago.

President Polk in the White House chair,
While in Lowell was Doctor Ayer;
Both were busy for human weal
One to govern and one to heal.
And, as a president's power of will
Sometimes depends on a liver-pill,
Mr. Polk took Ayer's Pills I trow
For his liver, 50 years ago.

Ayer's Cathartic Pills

were designed to supply a model purgative to people who had so long injured themselves with griping medicines. Being carefully prepared and their ingredients adjusted to the exact necessities of the bowels and liver, their popularity was instantaneous. That this popularity has been maintained is well marked in the medal awarded these pills at the World's Fair 1893.

Legislative Notes.

Salem Journal: After being turned down by the people of his county at the June election, nearly 400 republicans voting for Lark Bilyeu in his stead, Moorhead, the Dolph, Mitchell, and all-around-stand-in man had to be provided for by the best position in the senate this year. Ditto, Blundell of whom the Oregonian wants to know if there is any soft snap he has not had during his many years stand-in.

Salem Journal: The wine supper tendered Dr Driver by Sol Hirsch and Senator Mitchell at Portland, one night last summer, and which (miraculous to state) converted the learned divine from the silver heresy to the sound money policy in a single night, evidently has no bearing upon the senator from Lane or his conduct at the present time.
