EASTERN OFFICE—230 to 234 Temple Court, New York City. E. KATZ, Agent.

THURSDAY, - JANUARY 21.

A bill is before congress fixing the terms of all postmasters at four years.

Boise Penrose, the new U S Senator of Pennsylvania, who downed John Wannamaker, is only 36 years of age.

Speaker Davis of the lower house was elected as a temporary officer but it seems he has become quite permanent.

It is stated that the falling off in the demand for cigars in the United States this year amounts to $7,000,000 and the loss is largely credited to cycling.

Ocosta, Wasnington, is establishing quite an industry in shipping clams and crabs, which are found in abundance on the ocean beach and along the tide flats. A factory to manufacture concentrated soups and other products of the clam is talked of.

Baker City Democrat: "A gentleman just home from Salem says that Jonathan Bourne is overdoing himself. That he is feeding and wining the cow county members in a manner they are not accustomed to, and that within two weeks the whole lot will be laid up with the gout."

The New York City Sun, which is very good authority, declares that President McKinley will appoint no applicant to office unless he has the endorsement of the congressman from the district in which the office applied for is located. This was the plan followed by president Arthur.

The full text of Senator Dawson's bill providing for semi-annual payment of state taxes by the several county treasurers is as follows: "Sec 2813. On or before the first Monday of April in each year, the several county treasurers in the state shall pay over to the state treasurer, in gold and silver coin, one-half of the state taxes charged to their respective counties, and on or before the first Monday of October thereafter they shall pay over the remainder of said taxes."

Salem Statesman: Representative Vaughan of Lane is the good natured father of the house. He may not be so great a parliamentarian as some of the managers of the floor but he can see a point about as quick. He will favor the re-enactment of the mortgage tax law with the deductions for indebtedness where the corresponding credit is taxed. Mr Vaughan will introduce a bill regulating the running at large of stock, except in certain sections where there is good range and nothing for the stock to injure. He will also seek to secure the passage of an act to reduce the legal rate of interest in Oregon to 6 and 8 per cent. A bill was given him to introduce placing the rate at 5 and 6, but Mr Vaughan thinks it would stand no show for becoming a law. He hopes to strike the happy medium.

Republican papers throughout the state are claiming that the "hold up" of the lower house of the legislature will give Oregon two years more of useless commissions, high salaries and other extravagances. We were told before the previous legislature that reform measures would be passed, but instead, more burdens were placed on the taxpayers to carry. If the house finally organizes it will probably add to the burdens of the people of the state, rather than relieve them. And right here it is in order to state that the "commissions, salaries and damnable laws" that should be repealed are the handiwork of the past three legislatures which were composed nearly unanimously of republicans. Is it likely that reform measures can be expected from that party or Senators who have on an average from two to three clerks each?

Creswell Casualties.

Jan 21.

Farmers are plowing for dear life now. Everything must stand aside for a big crop of wheat.

At last there is prospect of a permanent change in section foreman at this place.

The county court having agreed to furnish the material we will soon have a bridge over the slough east of town.

Rev L D Beck, synodical missionary of the C P church will begin a series of meetings in Creswell next Sunday at 11 o'clock. Come everybody.

Rev M O Brink, who is assisting in the protracted meetings at Springfield, came home to preach last Sunday. He went to Goshen in the afternoon.

A Junior League was organized here last Sunday afternoon with 18 members and the following officers: President, Miss Edith Tozier; 1st vice pres, Lulu L Hughes; 2nd vice pres, Mamie Tozier; 3rd vice pres, Alice Holden; 4th vice pres, Bertha Tozier; secretary, Mearle Scott; treasurer, Geneveve Howe.

C. S. FRANK, N G.

"If I had a few more copies of the GUARD, also the mammoth Oregonian as published under date of Dec 9th, which was kindly sent to me" writes T S Handsaker, from Des Moins, Iowa to his parents here, "I think I could soon start a colony for Oregon, the former I presented to Gen Drake's daughter."

The Oregonian today prints a picture of Representative Thomas Vaughan of Coburg, wearing his '76 spectacles.

There are a great many wrong ways of treating disease. It is easy to make mistakes. Doctors make mistakes just the same as anybody else. The doctors who make the fewest mistakes are specialists. They do one thing over and over and over, so that they know all that there is to know about it. In the 30 years that Dr. Pierce's Pleasant Pellets have been sold, hundreds of thousands of people have taken them, and have been cured by them. There is no longer any possible question of their efficacy. They are the product of experience, tried by time. They are intended to cure constipation. They are good for men, women and children. They are tiny, sugar-coated granules, very easy to take, very quick in their action. One "Pellet" is a gentle laxative, two "Pellets" a mild cathartic. A great many people make the mistake of "sandbagging" their digestive organs. They take some strong and violent medicine, which creates worse troubles than it cures. Strong purgatives shock the system unnecessarily, and they do not cure constipation. Constipation is a thing that makes people listless and languid; makes their breath bad; wakes them up with foul taste in their mouths; puts black spots before their eyes; makes them dizzy; causes headache; makes them bilious; produces pimples and blotches—runs into all sorts of serious consequences. All this is cured by Dr. Pierce's Pleasant Pellets—cured absolutely, perfectly, permanently.

Send 21 one-cent stamps to cover cost of mailing *only*, and receive absolutely *gratis*, Dr. Pierce's Common Sense Medical Adviser, and find out how to keep yourself and family healthy; contains 1008 pages, over 300 illustrations and over 680,000 copies have been sold at $1.50 each. The new edition of 500,000 copies is to be given away *absolutely free*. World's Dispensary Medical Association, Buffalo, N. Y.

TWO SPEAKERS.

The "Regulars" Organize by Electing Beason, Speaker.

Davis Holds His Chair. Senate Clerks.

Special to the GUARD.

SALEM, Jan 21. — Committee on penal institutions, of which Senator Driver is chairman has one clerk, H S Williams. Record here does not show who authorized clerk to be sworn in but chairman of committee will have to certify to time clerk served before pay can be drawn. Chairman of committees are held responsible for the clerks of their respective committees but often senators have their friends appointed on other committees as special favors.

Special to the GUARD

SALEM, Jan. 21; 1:57 p m.--At the short session of the house the "regulars" announced they would attempt to organize the house at two o'clock under opinion of Senator Hoar, of Massachusetts, that a majority can perfect organization.

Special to the GUARD.

SALEM, 3:20 p m.—The Benson faction "organized" the house and elected officers, thirty-four members being present. The former speaker kept his chair and ruled the proceedings out of order. The constitution says that it takes two-thirds of the body, or 40 members to constitute a quorum, but Senator Hoar of Massachusetts, thinks otherwise.

Adjourned until Friday forenoon at 10 o'clock.

MORE DETAILS.

SALEM, Jan 21.—House met and the regulars placed J M Smith of Marion county for speaker, and R R Hayes, of Tillamook county, for chief clerk in nomination, and they were declared elected and took their seats, although Speaker Davis and Clerk Moody refused to recognize them.

A committee on credentials was appointed and reported 34 members present, but not a single populist.

A committee was then selected to ask Chief Justice Moore to swear them in which he did.

Permanent officers were then elected as follows:

H L Benson, of Josephine, speaker.
R R Hayes, chief clerk.
H S Jordan, journal clerk.
Frank Motter, reading clerk.
E W Botley, calander clerk.
S W White, doorkeeper.

Regular business was then proceeded with.

No trouble occurred, but both sides seem determined.

Adjourned until tomorrow forenoon at 10 o'clock.

Legislative Notes.

Vaughan of Lane moved that the absentees in the house be recorded as dead and be so reported to the governor; declared out of order.

S B 5.—McClung. To regulate taxation. Assessment and taxation.

S B 11.—McClung. To fix statutory interest at 6 per cent. Revision of laws.

S B 19.—McClung. To define qualifications of voters at school elections in the state. Education.

S B 111.—Driver. To provide for the prompt organization of the Oregon legislature. Read second time by title under suspension ordered printed and tabled.

S B 112.—McClung. To amend 3471-3475 of code, providing for publication of accounts paid by county courts.

Salem Statesman: Mr Palm of Lane expects some day during the session to introduce a bill permitting school districts to retain of their annual appropriation a sum not in excess of $30 to be applied on the running expenses of the district during the year next ensuing. The object of this bill is to relieve school districts of the annoyance of returning to the county treasury small unexpended balances. He will also have a bill proposing a minor change in the boundary of Lane county. This bill effects only a few persons living along the Siuslaw who, though now in Douglas county, properly belong in Lane.
