That promised thunder storm did  
not materialize last night at least in  
this vicinity. Yet the weather bureau  
proved the correctness of its forecast  
by the cooler weather which ensued,  
such conditions, at this time of the  
year, often being accompanied by  
thunder showers.

We are anxious to do a little good in  
this world and can think of no pleas-  
anter or better way to do it than by  
recommending One Minute Cough  
Cure as a preventive of pneumonia,  
consumption and other serious lung  
troubles that follow neglected colds  
Corner Drug Store, Vincent & Walton

It would be hard to convince a man  
suffering from bilious colic that his  
agony is due to a microbe with an un-  
pronounceable name. But one dose of  
DeWitt's Colic and Cholera Cure will  
convince him of its power to afford  
instant relief. It kills pain. Corner

Woodburn Independent; "Rev C B  
Davis and family left here Tuesday  
morning for their old home in Eugene,  
where they will reside in the future.  
Mr Davis has been the U B pastor at  
this place for the past two years and  
has made many warm friends during  
his stay here who are sorry to see him  
and his family take their departure  
from our midst."

This is a good time of the year to  
take Simmons Liver Regulator. It is  
the very best medicine to take in the  
Spring for the blood, and to cleanse the  
system of all impurity. "I have used  
Simmons Liver Regulator as a cor-  
rector and blood purifier and think it  
an excellent remedy. I always keep it  
on hand to take in preference to other  
medicines."—I M Hysell, Middleport  
Ohio.

During the winter of 1893, F M  
Martin, of Long Beach, West Va.,  
contracted a severe cold which left him  
with a cough. In speaking of how he  
cured it he says: "I used several kinds  
of cough syrup but found no relief until  
I bought a bottle of Chamberlain's  
Cough Remedy, which relieved me  
almost instantly, and in a short time  
brought about a complete cure." When  
troubled with a cough or cold use  
this remedy and you will not find it  
necessary to try several kinds before  
you get relief. It has been in the mar-  
ket for over twenty years and con-  
stantly grown in favor and popularity.
