We are anxious to do a little good in
this world and can think of no pleas-
anter or better way to do it than by
recommending One Minute Cough
Cure as a preventive of pneumonia,
consumption and other serious lung
troubles that follow neglected colds.

We might tell you more about One
Minute Cough Cure, but you probably
know that it cures a cough. Every
one does who has used it. It is a per-
fect remedy for coughs, colds, hoarse-
ness. It is an especial favorite for
children, being pleasant to take and
quick in curing. Corner Drug Store,
Vincent & Walton Proprietors.

It will be an agreeable surprise to
persons subject to attacks of bilious-
ness to learn that prompt relief may
be had by taking Chamberlain's Colic,
Cholera and Diarrhoea Remedy. In
many instances the attack may be
prevented by taking this remedy as
soon as the first symptoms of the dis-
ease appear. 25 and 50 cent bottles
for sale by Osburn & DeLano.

It would be hard to convince a man
suffering from bilious colic that his
agony is due to a microbe with an un-
pronounceable name. But one dose of
DeWitt's Colic and Cholera Cure will
convince him of its power to afford
instant relief. It kills pain. Corner

W R McCormack returned to his
home near Florence on the stage this
morning after having had an opportu-
nity of exchanging "cliché six"
greetings with many old friends. Mr
McCormack has been troubled lately
with occasional fainting spells and
came up for a medical examination,
with the satisfactory result that the
doctor prescribed quiet and rest, and
abstention from severe physical exer-
cise. W R wishes he had consulted
that doctor several years ago. The
prescription suits him exactly.

During the winter of 1893, F M
Martin, of Long Beach, West Va.,
contracted a severe cold which left him
with a cough. Speaking of how he
cured it he says: "I used several kinds
of cough syrup but found no relief until
I bought a bottle of Chamberlain's
Cough Remedy, which relieved me
almost instantly, and in a short time
brought about a complete cure." When
troubled with a cough or cold use
this remedy and you will not find it
necessary to try several kinds before
you get relief. It has been in the mar-
ket for over twenty years and con-
stantly grown in favor and popularity.

LEAGUE MEETING.—The Woman's
Patriotic League was delightfully enter-
tained at the home of Mrs R Pratt,
Saturday afternoon. After the regular
business was disposed of the hostess
passed score cards very appropriately
decorated with the gold bug and con-
taining questions to be answered by
the state abbreviations. Several
answered all the questions correctly.
A drawing was then taken for the
awarding of the prize, Mrs Thos Kays
and Mrs McElroy being the winners.
A booby prize was also given. Dainty
refreshments were then served, during
which time Messrs Powers and Tuck-
er furnished some excellent music.
Winnie Cockerline gave a recitation,
"The Song of the housekeeper." A
vote of thanks was then tendered the
hostess and musicians for the very
pleasant afternoon. The League ad-
journd to meet with Mrs Preston the
last Saturday in June.

DANGEROUS BOATING.—Several
days ago Huron and Frank Thomp-
son, of McKenzie Bridge preeluct, put
a boat in the river at Belknap Springs
and fished down the river to Frank
Mason's place. We understand this
is the first time a boat has been taken
that high up the river. It is danger-
ous boating even for experienced bot-
men, as the river, that high up, stands
considerably on end, and there are
some dangerous places in it where the
boatman must trust somewhat to luck
to carry him through. It is boating
that cannot be recommended for plea-
sure excursions. Those who are
anxious for excitement would not be
disappointed on a trip of this kind.

WOODMEN PICNIC.—Last Saturday
and Sunday the Woodmen of the
World conducted a very successful
picnic at the grounds near Thurston.
A good program consisting of ad-
dresses, music and announcements
was furnished on each day, and was
enjoyed by those in attendance. Sun-
day a large crowd went up from this
city, and the day spent in the cool
shade seemed all the more pleasant on
account of the intense heat in the val-
ley.
