Independence West Side: Stuart B Hanna, the gentleman representing the circulating library was here this week and spent one day quite industriously trying to finish out the list of names of the club to secure the Pameliee library, but failed. The case of books, which had arrived here was taken to McMinnville Thursday. About the first of May, Mr Hanna will return and make another effort. He lacked only a few names.

During the past two years Mrs J W Alexander, wife of the editor of the Waynesboro, (Miss.) Times, has, in a great many instances, relieved her baby when in the first stages of croup, by giving it Chamberlain's Cough Remedy. She looks upon this remedy as a household necessity and believes that no better medicine has ever been put in bottles. There are many thousands of mothers in this broad land, who are of the same opinion. It is the only remedy that can always be depended upon as a preventive and cure of croup. The 25 and 50 cent bottles are for sale by Osburn & DeLano.

One of the finest and best equipped railroads is the Chicago, Milwaukee & St Paul. On our recent trip through South Dakota, Iowa, Minnesota and Illinois we tried this railroad and know whereof we speak. The road is splendidly equipped with fast trains, the coaches are all furnished with the latest improvements and it is a pleasure to ride with these people. They employ none but sober, industrious men who constantly look after the comfort and safety of the traveling public. Anyone traveling in the above or adjoining states should take the Milwaukee road by all means if it is convenient to do so. If you wish information concerning this excellent and popular road, ask any ticket agent, or write to C J Eddy, General Agent at Portland, Or, and he will gladly give it.—Genesee Idaho News.

A SIAM PAPER.—The GUARD has received a copy of the Siam Free Press, a daily paper published at Bangkok, Siam, and dated November 15. It contains several complimentary notices of John Barrett, Minister Resident and Consul-General, besides a picture of him and a sketch of his life. Referring to the settlement of the Kellet assault case the Press says: "Mr Barrett may be sincerely congratulated in possessing that tact which leads to such brilliant success not only in diplomacy but in other walks of life." Mr Barrett is only 31 years of age. He is a former Portland man, having been a resident of that city when appointed in 1894. He delivered two addresses in this city a few years ago—one at the university and one at the court house.

TO HAVE A BANK.—A Harrisburg correspondent says: "Mr R A Rampy, who engaged in the banking business in our city on the 20th day of January, 1888, and continued until July, 1893, when had health forced him to close his doors, will open his bank for business tomorrow. The improved conditions have created a demand for a bank in Harrisburg. Mr Rampy is in a position to supply this demand, and the good satisfaction he gave his depositors at the closing of his former business is a recommendation to be proud of and one that will lead to success."

SERVED THEM RIGHT.—Fourteen of the leading Denver merchants banded together and proceeded to teach the papers a lesson, demanding a reduction in advertising rates of 20 per cent, which was promptly refused. Thereupon they boycotted the papers. They got all they wanted of the business in two or three weeks, and were glad to get back into the papers at an increased price. They found out that advertising was necessary to successful business, in dull as well as in live periods.

I had the rheumatism so badly that I could not get my hand to my head. I tried the doctor's medicine without the least benefit. At last I thought of Chamberlain's Pain Balm; the first bottle relieved all of the pain, and one-half of the second bottle effected a complete cure.—W J HOLLAND, Holland, Va. Chamberlain's Pain Balm is equally good for sprains, swellings and lameness, as well as burns, cuts and bruises. For sale at Osburn & DeLano's drug store.

An Affidavit.
This is to certify that on May 11th, I walked to Melick's drug store on a pair of crutches and bought a bottle of Chamberlain's Pain Balm; of infamatory rheumatism which had crippled me up. After using three bottles I am completely cured. I can cheerfully recommend it.—Charles H Wetzel, Sunbury, Pa.
Sworn and subscribed to before me on August 10, 1894.—Walter Shipman J P. For sale at 50 cents per bottle by Osburn & DeLano.

To The Public.
I wish to say to the people of Lane county that my sale that is now going on, is not the usual clearance sale, but is a bonafide closing out sale.
I intend to go to Alaska in the spring and must sell. I will convince anyone that I am in earnest by giving prices if you will call at the store.

BROKE THE BANK.—Last Sunday some individual afflicted with a touch of kleptomania, got away with the contents of the "birthday box" in the Jasper Sunday school. The robbery occurred between the time of holding church and Sunday school and the coin secured amounted to \$1.61. As is usual they have a clue to the guilty party.
