WEATHER FORECAST FOR EUGENE, OREGON.

Tonight and Tuesday: Fair, cooler killing frost.

A CABINET OF MILLIONAIRES.

We take the following from the New York World, a paper that supported McKinley for the presidency:

"Russel A Alger, Secretary of war.—Private fortune estimated $5,000,000; invested in lumber and timber tracts and various financial institutions.

"John Sherman, Secretary of State—Private fortune estimated at $1,500.000; invested in real estate and railroad shares.

"John D Long, Secretary of the Navy.—Private fortune estimated at $1,400,000; invested in real estate and stocks; made money out of his profession the law.

"Cornelius N Bliss, Secretary of the interior.—Private fortune estimated $1,250,000; made his money in dry goods; Vice-President of a Wall street bank and an officer in many financial institutions.

"Lyman J Gage, Secretary of the Treasury.—Private fortune estimated at $1,500.000; President of the great banks of the west; has been in the banking business forty years.

"James A Gary, Postmaster General.—Private fortune estimated at $2,000,000; cotton merchant and manufacturer and officer in many banking institutions.

Of the remaining members of the Cabinet one although he is probably not a millionaire, should be classed among them, for the reason that his interests lie wholly with them. He is John W Griggs, Attorney General.—Corporation lawyer; identified with the interests which have made New Jersey a by word in the land.

"There remains one other member of the Cabinet, but his name has not been mentioned in connection with the present situation. It is James Wilson, Secretary of Agriculture, a plain Iowa farmer. By no stretch of the imagination can he be classed among the plutocrats.

"The millionaire Cabinet officers represent Wall street, the concentrated financial and especially the corporate interest of the nation."

A mining and irrigation congress will be held in Baker City March 29, 30 and 31, and will work for the interests of Eastern Oregon mines. Western Oregon should hold a similar congress.

TO ELECT BRYAN IN 1900.

Solon Chase, the once famous greenback leader of Maine, in a letter to a personal friend in Amesbury, Mass, makes the following comment on the future of political parties:

"There is no more room for gold democrats in the new democratic party than there was room for pro-slavery whigs in the republican party. The sins of the democrats are many, but its redeeming feature is that it has cast out devils, and therein lies its strength. If the democratic platform of 1896 is diluted to suit the gold democrats, the silver republicans and populists will stand off. The silver plank in the democratic platform is what drove the gold democrats out and brought in the new recruits. There was no misunderstanding of the silver plank of the Chicago platform. The silver plank of the republican party was made to draw two ways. Gold republicans were told that international bimetallism was an impossibility. Silver republicans were told that international bimetallism was very probable.

"The silver question was the right of way and cannot be sidetracked. Other great problems must wait until silver stands in competition with gold as primary money 16 to 1. After 25 years' agitation so much of the money question as represented by the figures 16 to 1 has got ripe, and everybody is going to get one side or the other. The republicans did not elect Fremont, but without change of platform they elected Abraham Lincoln. We did not elect Bryan in 1896, but we are going to in 1900 on the platform of 1896."

The Surprise of All.

Mr James Jones of the drug firm of Jones & Son, Cowden, Illinois, in speaking of Dr King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr King's New Discovery in store and selling lots of it, he took a bottle home and to the surprise of all she began to get better from the first dose and half dozen dollar bottles cured her sound and well. Dr King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Wilkins & Linn's drug store.

Blind-fold.

A woman has no right to "go it blind" in matters of life and health. She has no right to shut her eyes to the plain facts of her physical being and the consequences of neglect. She has no right to be wretched and ill when she might be happy and free from pain.

Women who drag through life weighed down by some torturing, dragging weakness or disease of their sex are not doing their full duty to themselves. They are not taking the means which enlightened science affords them of being well and strong and capable.

These special complaints from which so many women suffer are not necessary. Dr. Pierce's Favorite Prescription positively cures even the most severe and obstinate cases.

It is not a haphazard medicine. It is not a "cure-all." It is a scientific remedy devised by an educated and experienced specialist for the one purpose of curing the special diseases of women.

Tens of thousands of women have been restored to perfect health by this wonderful "Prescription." In many instances they were actually given up as hopeless by physicians and family doctors.

"I have taken both your 'Golden Medical Discovery' and 'Favorite Prescription' for chronic inflammation of the uterus and bladder," writes Mrs. M. A. Scott, of Park Rapids, Hubbard Co., Minn. "I also had stomach trouble which was terribly distressing. I have been cured of all. I had suffered untold misery for four years previous to taking your treatment, but began to feel the good effect at once."

Dr. Pierce's thousand page illustrated book, "The People's Common Sense Medical Adviser" contains information of priceless value to women. A paper-bound copy will be sent absolutely free on receipt of 21 one-cent stamps to pay the cost of mailing only. Address World's Dispensary Medical Association, Buffalo, N.Y. For a handsome cloth bound copy send 31 stamps.

S. B. MED. MFG. CO., Dufur, Oregon.

GENTLEMEN: On arriving home last week, I found all well and anxiously waiting. Our little girl, eight and one-half years old, who had wasted away to 38 pounds, is now well, strong and vigorous, and well fleshed up. S. B. Cough Cure has done its work well. Both of the children like it. Your S. B. Cough Cure has cured and kept away all hoarseness from me. So give it to every one, with greetings for all. Wishing you prosperity, we are

Yours, MR. AND MRS. J. F. FORD.
