Union Ticket. STATE. Governor, Will R. King, of Baker.

THE REGISTER IS ALREADY WORRYING about who Jake Stevenson's deputy will be to assist him in the contest. Stevenson is a winner.

From speech of T. T. Geer: "In your extreme desire to make us appear odious, you call us 'gold-bugs'! All right; so far, so good; but if you think we are to be thus easily put down, you are mistaken, for we proceed to make faces along the same line, and get even by retorting, 'silver-bug'! Indeed, we have more than got even, for we have called you names that is 16 times worse than you have called us, and that by your own admission."

On the other hand the advocates of silver have no quarrel with gold. They give it full credit as money, would not curtail its use in the least, and only ask that silver shall be allowed to assist it in carrying

the load of the world's financial needs as it did prior to 1873 when it was demonetized and degraded through vicious and dishonest legislation.

Register: "No more stinging rebuke can be administered to political perfidy than to turn J. G. Stevenson down 300 votes behind his ticket, and he will get a goodly portion of just such a rebuke."

He has voted against the agricultural class in the interest of monopoly all along the line. He voted in favor of saddling five hundred millions of interest bearing bonds on this country—an additional burden on those engaged in agricultural pursuits, and to the producer wherever he is found.

The Register is now vilifying all populists and silver republicans that left the gold standard republicans party, calling them "turn coats" and other pet names. These gentlemen should teach the Register a lesson by voting a straight Union ticket from governor to constable. Don't scratch a man. Make your power felt, silver advocates, is our advice.

To take a cold in One Day. Take Laxative Bismarck Tablets. All druggists refund the money if it fails to cure. The genuine has L on each tablet.

A sick man is like a man who goes up in a balloon. He is blown higher and higher by the winds of disease. A traveler by rail or steamer has a regular track. He is reasonably certain of reaching a given destination; but the balloonist is at the mercy of totally uncertain elements. No track, no course, no rudder, no certainty that any breeze may not bring destruction.

This is to certify that on May 11th, I walked to Melek's drug store on a pair of crutches and bought a bottle of Chamberlain's Pain Balm; on the following day I was completely cured. I can cheerfully recommend it. - Charles H. Weidner, Sunbury, Pa.

"Just as Good" as Scott's and we sell it much cheaper. It is a statement sometimes made by the druggist when Scott's Emulsion is called for. This shows that the druggists themselves regard

Scott's Emulsion of Cod-Liver Oil with Hypophosphites of Lime and Soda as the standard, and the purchaser who desires to procure the "standard" because he knows it has been of untold benefit, should not for one instant think of taking the risk of using some untried preparation.
