"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft repeated experience of trustworthy persons may be taken for knowledge. M W M Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky. for twelve years, has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best. One of the finest and best equipped railroads is the Chicago, Milwaukee & St Paul. On our recent trip through South Dakota, Iowa, Minnesota and Illinois we tried this railroad and know whereof we speak. The road is splendidly equipped with fast trains, the coaches are all furnished with the latest improvements and it is a pleasure to ride with these people. They employ none but sober, industrious men who constantly look after the comfort and safety of the traveling public. Anyone traveling in the above or adjoining states should take the Milwaukee road by all means if it is convenient to do so. If you wish information concerning this excellent and popular road, ask any ticket agent, or write to C J Eddy, General Agent at Portland, Or, and he will gladly give it.—Genesee Idaho News

Jacksonville Times: Hon H L Benson, circuit judge elect, has gone to Klamath county. Dangerous Apparitions.
Every once in a while a ghost crops up in the columns of the daily or weekly press. This ghostly spirit sometimes assumes the part of a prominent man on some lonely road, who terrifies belated travelers out of their wits. Few people credit these blood curdling accounts to the doings of his ghostship, but there is a remnant which is unquestionably haunted at times. When a nervous malady attacks the human organism the manifestations are most appalling, and usually most violent at night. Sleeplessness, if nervousness is disregarded, becomes chronic, and the entire system suffers in consequence. For disturbance of the nerves Hostetter's Stomach Bitters is a thorough remedy, as it also is for malaria, rheumatism, dyspepsia, constipation and biliousness.

ROSEBURG LOCALS—Review of Monday: Elmer Wimberly has returned from Eugene, the state university having closed for the year. Miss Ankeny of Eugene, is visiting Miss Rose Parrott in this city. She is on her way to Jackson county. H J Day of Cottage Grove, who will be Lane county's new deputy sheriff, was in the city Saturday evening. Mr N B Pritchett, of Eugene, is visiting his sister, Mrs E J Montague and family in this city. The latter expects to leave soon for the East on a visit. Mr J M Ellison and family and Mrs Catherine Gorrell and son, Oscar, who have been in Eugene during the school year just closed, have returned to their homes on the Lower Calapoopa.

12 TICKETS SOLD.—During commencement exercises at the University last week, only 12 reduced railroad tickets were sold, and this included the Regents' tickets. The railroad company at first made a reduced rate if 25 tickets should be sold, but after it was found that only a few people had attended the exercises the number on application was reduced to twelve. Heretofore large numbers of visitors have attended these exercises from all over the state. What is the cause of the lack of interest now, who can answer?

SPECIAL LAND AGENT—Roseburg Review: Benton Mires, of Drain, has just been appointed special land agent by Commissioner Hermann, for the state of Oregon, Washington and Idaho. He left here for Weiser, Idaho, Saturday morning, where he was ordered to report immediately. The office is quite a remunerative and responsible one, and is another proof that Mr Hermann is not forgetting his Douglas county friends.

SIDEWALK GRASS AND BRUSH.—A walk about town will disclose many places where the sidewalks are almost closed to travel by the grass and small brush that grown luxuriantly on either side. Property owners should take a hoe and remove the spring growth. It has come so quickly that people do not recognize what a nuisance it is especially during wet weather.

TO COTTAGE GROVE.—Fred D Herbold went to Cottage Grove this afternoon to take charge of J P Curran's drug store for the summer. He has had considerable experience in this line of work, and recently took a course in pharmacy in Purdue University Indiana. Mr Curran leaves on the 27th for Eastern Oregon where he has a surveying contract.

GOVERNMENT BONDS.—Each of the three banks are already receiving applications for government bonds. They are 3 per cents, interest payable quarterly and run for a term of 20 years. They are issued in registered and coupon forms. On sums under \$500 cash must accompany the application; on sums over \$500 a deposit of two per cent is required.

HAY DOWN.—A large number of farmers yesterday commenced cutting hay, thinking the weather had cleared up. They were considerably disturbed this morning when they found the rain falling. One man near Eugene cut down during the day at least twenty tons, he tells us.

INCORPORATED.—The Booth-Kelly Lumber Co's articles of incorporation have been filed in the county clerk's office. Incorporators: Rob Booth and James H Booth and John F Kelly and Geo H Kelly; principal office, Saginaw; amount \$50,000, consisting of 500 shares of \$100 each.

AXLE BROKEN.—Chas Croner commenced hauling brick to the court house today on his large wagon from Lee's brick yard. The nut came off the wheel of the first load near the court house and a broken axle was the result.

FASHIONABLE MODISTS—Mrs E C Stinson will return from her visit to Chicago June 1st and will be pleased to meet her former patrons. All those desiring costumes artistic, and in the newest modes, should call upon her.

LOST.—At Alumni banquet at U of O dormitory a linen hand embroidered handkerchief. A reward will be paid at this office for its return.

MAJORITY OF BOTH—Monday's Salem Journal: "Is it the churches of Eugene or the saloons that are fighting President Chapman?"

NOTICE.—The Chicago Bakery delivery wagon is in the paint shop. Delivery will be made as usual by another wagon.
O C ZEIGLER.

FROM CALIFORNIA—Job E Davis, of Sonoma county, Cal, arrived here this morning for a short visit. He is in the best of health and seems content with his new home in California, although he still thinks Oregon one of the best states in the Union. He says that outside of the Russian River valley that California crops are nearly a total failure.

DIED.—At his home near Harrisburg, Sunday, June 19, 1898, of ailments consequent upon old age, Preston Barger, brother of the late James Barger of this city. He was 82 years of age.

THE WHEAT SLUMP.—Valley wheat is now worth in Portland for export 63 cents per bushel and is quiet. This means that wheat would bring 52 to 55 cents per bushel in Eugene.

NO LETTERS YET.—No letters have yet been received from our boys that started for Manila. It was expected that mail would be received from them today from Honolulu.

SHARP?—Knives, saws, scissiors or anything else, sharpened by Uncle Billy Wright, the champion of the world. He holds the medal. Hunt him up.
