One of the finest and best equipped railroads is the Chicago, Milwaukee & St Paul. On our recent trip through South Dakota, Iowa, Minnesota and Illinois we tried this railroad and know whereof we speak. The road is splendidly equipped with fast trains, the coaches are all furnished with the latest improvements and it is a pleasure to ride with these people. They employ none but sober, industrious men who constantly look after the comfort and safety of the traveling public. Anyone traveling in the above or adjoining states should take the Milwaukee road by all means if it is convenient to do so. If you wish information concerning this excellent and popular road, ask any ticket agent or write to C J Eddy, General Agent at Portland, Or and he will gladly give it.—Genesee, Idaho News.

Still in Doubt.—Monday's Portland Telegram: "The case argued this morning was the appeal of the United States from the ruling of Judge Bellinger in the case of Chu Chee and Chu Chow, Chinese boys residing at Eugene, landed by the court on the ground that they were students. United States District Attorney Hall, appearing in behalf of the government, contended that the boys upon their arrival in this country, not having come for the express purpose of acquiring an education, partook of the status of their father, which is that of a laundryman. He therefore argued that the boys were of the laboring class and not of the student class. The Chinese boys were represented by the legal firm of Thayer, St Rayner & Schnabel. The case was argued and submitted."

Change of Base.—Quite a number of large freight wagons have arrived here this week placarded: "This wagon was loaded by——in 1897 at The Dalles." We have interviewed several of the owners of the freight wagons and they say Eugene is now virtually getting all the Silver Lake trade, on account of the excellent condition of the Military road and then goods can be purchased cheaper here than at The Dalles. Our people should see the road is kept in first-class shape hereafter, and we know they will.

Are They Sorry.—The Portland Rural Press says: "Probably some of the Oregon farmers who dug up prune trees last fall to enlarge their wheat fields are now sorry. No one else is especially sorry as there are plenty of prune orchards left and the men who are to succeed in growing prunes need a love for the business of fruit growing that will prevent them from destroying their orchards because of a succession of unprofitable seasons. Prunes are paying a good deal better than wheat this year, and nobody knows how it will be next year."

CONSTIPATION

"I have gone 14 days at a time without a movement of the bowels, not being able to move them except by using hot water injections. Chronic constipation for seven years placed me in this terrible condition; during that time I did everything I heard of but never found any relief; such a thing I heard of but never found any relief; such was my case until I began using CASCARETS. I now have from one to three passages a day, and if I was rich I would give $1000.00 for each movement; it is such a relief." Aylmer L. Hunt, 189 Russell St., Detroit, Mich.

A CRITICAL TIME

During the Battle of Santiago.

SICK OR WELL, A RUSH NIGHT AND DAY.

The Packers at the Battle of Santiago de Cuba were all Heroes—Their Heroic Efforts in Getting Ammunition and Rations to the Front Saved the Day.

P E Butler, of pack-train No 3, writing from Santiago, De Cuba, on July 23d, says: "We all had diarrhoea in more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations, but thanks to Chamberlain's Colic, Cholera and Diarrhoea Remedy, we were able to keep at work and keep our health; in fact, I sincerely believe that at one critical time this medicine was was the indirect saviour of our army, for if the packers had been unable to work there would have been no way of getting supplies to the front. There were no roads that a wagon train could use. My comrade and myself had the good fortune to lay in a supply of this medicine for out pack-train before we left Tampa, and I know in four cases it absolutely saved life."

The above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co, Des Moines, Iowa. For sale by Osburn & DeLano.
