Weather Bureau Daily Report. PORTLAND, January 13, 1899, 9:30 A. M. WEATHER FORECAST FOR EUGENE, OREGON.

LENGTH OF LEGISLATIVE SESSIONS.

Goy Geer's suggestion that legislative sessions be limited to twenty-eight days is to cater to popular fancy instead of in the interest of good government.

The Mongolian is nothing if not imitative and it is not surprising that Portland Chinamen have gone into the thug-hold-up business.

A Chicago man has carried the "perfection" craze to a legitimate conclusion. Being "dead to the world" he wants to collect on a \$1,000 life insurance policy.

Canada is giving our people, at least the portion engaged in the Klondike mining region, a lesson on the beauties of the tariff system.

Relations between Norway and Sweden are strained almost to the breaking point.

Whatever may have been the motive in the turning down of Mr Kincaid for regent of the State University by Gov Geer, the action will be construed as a personal affront on account of the late secretary of state refusing to yield his life time convictions on the financial question, and becoming the candidate of the Union party in opposition to the party which he helped found, and with which he had trained since its organization.

Poison has been introduced into Southern Oregon and appear to thrive. An admirer of the southern animal wants them introduced into the Willamette valley.

The Salem Independent says during the delivery of Governor Geer's scathing remarks on the fearful abuse of clerk-hire, several who voted against the Williamson resolution, and others who had clerks during the special session with not a single thing for them to do, sat with bowed heads, unable to look taxpayers in the face.

The French ambassador made a special visit away from the German capitol the other day to inquire about Emperor William's health.

Aguinaldo has issued some more proclamations. In the interest of the policy of expansion he should be captured and gagged so he could not dictate to his stenographer.

Banking business is not always clear profit and easy sailing. A Spokane bank with \$200,000 capital has just declared a six per cent dividend, the first since 1895.

From the day that a young man starts out to seek his first position to the end of his business life, his health has a world to do with his success. When a young man applies to a business man for a position, his personal appearance has a deal to do with the outcome.

30 acres of land, all in cultivation, three acres in bearing prune trees, stony and a half house, all splendid fruit land; two miles north of Eugene on the river road. Price \$700.

Eugene Lodge No 15. Meeting Friday evening Jan 13, 1899, at 7 o'clock. Installation of officers. Work in second degree.

Has turned with disgust from an otherwise lovable girl with an offensive breath. Karl's Clover Root Tea purifies the breath by its action on the bowels, etc.

La Grippe Successfully Treated.

"I have just recovered from the second attack of la grippe this year," says Mr Jas A Jones, publisher of the Leader, Mexico, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack.
