About one month ago my child, which is fifteen months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I soon noticed a change for the better; by its continued use a complete cure was brought about and it is now perfectly healthy.—C. L. Boggs, Stumptown, Gilmer Co., W. Va. For sale by DeLano.

Harrisburg correspondence in Albany Herald of August 20: "The unprecedented rainfall at this season of the year which has prevailed the last few days has brought on an epidemic of 'blues' among the farmers and hop growers. Reports from the field today indicate that the damage will not be very great where good shocking has been done, but where the shocks are down the grain is bleached and in some cases sprouted already, and in the event the rain continues the loss will be very heavy. In this neighborhood there is considerable grain threshed and under cover, and some have delivered their crops to the warehouse, but not many have been so fortunate."

A BAD FALL.—Saturday afternoon Mrs. Jacob Gillespie was very seriously hurt at her home north of town. She went to the orchard to pick apples and after climbing the step ladder the hogs in running around the tree knocked it from under her, causing her to fall a distance of about eight feet. Her back was injured in the fall beside other bruises. But for timely assistance the hogs would have torn her to pieces. Dr. Brown was called and is doing what he can to relieve her suffering. Being quite old the chances for her recovery are not very favorable.

DOING GOOD WORK.—Brownsville Times: "The Southern Pacific Company is doing a large amount of work on the Woodburn-Natron line. Gangs of railway employes are scattered along at different places and it is expected that the beds, bridges and equipments will be among the best on the coast ere another year shall have passed. It traverses one of the richest sections of country in Oregon and its large revenue justifies the company in expending large sums of money to keep it in repair."

TWO TRAINS.—Roseburg Review: "The S P has begun running the overland passenger train south from Roseburg in two sections, putting on two complete crews. The passenger conductors now running between Roseburg and Ashland are T J Kearney, —Huston, J M Hansbrough and Al Morris. Many railroad men think this is only a temporary arrangement to last until the Roseburg local is extended south to Redding in the near future. Of course this is only conjecture, but it seems reasonable, since division of the overland into two sections is virtually equivalent to two daily trains over the entire Oregon & California system."

UNRELIABLE.—The barometer is unreliable these days. Yesterday, last night and this morning barometric readings were favorable for clearing weather, but it has not materialized. The sensitive register of air pressure still gives every indication that better weather will soon prevail.

SURE FOR DIVORCE.—Martha E Holt has sued Samuel Holt in the Lane county circuit court for absolute divorce. The couple were married in Multnomah county, Oregon, June 2, 1889. There is no issue as the result of said marriage. The complaint charges cruel and inhuman treatment. Her maiden name was Martha E Tillman, and she desires to assume it.

Robbed the Grave. A startling incident, of which Mr John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50cts, guaranteed, at Wilkins & Linn's Drug Store.

THIS IS WHAT YOU NEED And we can supply your want. We carry a complete line of these goods. ALL WORK GUARANTEED. Our Mr. Mercer is an expert in this line. Griffin Hardware Company For You to Read. What puzzled me in the beginning was that I kept losing flesh without cause for it that I could see. I had a little trouble with my stomach, too, after a while began to grow weaker and to cough. The cough, I thought, was soon gone away and cure itself, but it didn't. It grew worse, and then I began to spit up a peculiar thick substance. I never thought of consumption, but one day had a hemorrhage, and then was frightened in earnest and did just what you would do. I rushed to the doctor. He was either too busy, or something else, for he didn't do me any good. I kept going on down hill, and the outlook was bad. This got on a different turn, however, when I heard of Acker's English Remedy for Consumption, for I took it, and it not only cured my coughing and spitting, but also built up my whole system. I took on permanent flesh, and today am just as healthy a man as you can find in a week's travel. You may be sure I always keep Acker's English Remedy in the house, and it is a good thing I do so, for one night my youngest child was seized with croup. That hoarse, wheezy cough was the first signal, and I lost no time in giving the poor little sufferer proper doses of this great medicine. In almost no time the disease was under control, and my child was saved. I advise every parent to have a bottle handy all the time. It serves the same purpose in keeping croup out of the house that a good lock and key serve to keep burglars out. It is both an expectorant and a tonic. It cured me of consumption and my child of croup, and I know what I am talking about." (Signed) Hon. M. HOGAN, picture frame manufacturer, 212 Center Street, New York. Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. 25c, 50c, and \$1 a bottle. U. S. & Canada.
