THE DAILY GUARD TELEGRAPHIC SERVICE.

The DAILY GUARD appreciates the good words from subscribers regarding the special telegraphic service we are giving our readers. While not extensive it is carefully compiled, and gives the gist of important happenings and news of the preceding twenty-four hours. These special dispatches give the news to Eugene people nearly twenty-four hours earlier than the Oregonian.

The DAILY GUARD spares no pains to provide its readers with full accounts of local happenings. The addition of a short, but comprehensive telegrapic service cannot but render the paper more popular among the homes of the city. Yet we do not expect to gain but few, if any subscribers by the use of special dispatches. The DAILY already covered the field. We publish a daily edition of 624 papers, nearly all of which are delivered by carriers in Eugene.

The four Eugene town precincts cast 779 votes at the general election of 1898, and the last census gave Eugene a population of 4200. Allowing five persons to a family, the usual computation for old settled communities, Eugene has about 840 families. Of these not less than 550 families receive the DAILY GUARD direct, while many others read it at second-hand. In addition to this circulation the WEEKLY GUARD, made up of matter printed in the DAILY, has a circulation through the Eugene postoffice of 209.

Convincing proofs of our claims, the subscription lists, are open to the inspection of advertisers. We desire to sell space in these papers on the same principle as the groceryman does the staples, full weight and measure. Advertising is a business proposition, and advertisers should know as to the service they receive. They can find out from the GUARD.

A TRUST FACTORY.

New Jersey's Secretary of State reports that 1,945 corporations were chartered this year and they paid into the treasury of the commonwealth in incorporation fees $728,-023.

This fact gives the Chicago News occasion to say that $700,000 of this enormous sum was paid by so-called trusts, not one of which is in any sense a New Jersey enterprise, and not one of which will ever be seen or heard of in that state except as its products may be sold there, and as it maintains a nominal "head office" in Jersey City.

Regardless of whether courts or other states do, or do not issue restraining or punitive mandates against existing trusts, New Jersey will go on licensing others to do business in every state in the Union.

This is one of the phases of the trust question which shows the pressing need for a remedy that shall be comprehensive as well as effective.

YACHT RACING COSTLY.

[New York Cor Pittsburg Dispatch.]

It is estimated that a million dollars was spent by the people who went to see the Shamrock-Columbia race; many spent money virtually for nothing. There were about 150,000 spectators on the various boats. They paid anywhere from $2 to $5 a ticket, so that at least $750,000 was paid for passage in this way. Each passenger doubtless spent $1 for food and drink, making $900,000, and incidental expenses would make up the other $100,000. The yacht owners are supposed to have spent about $25,000 a day in entertaining guests and other expenses. So that it is a costly thing to have even an attempt at an international yacht race.

Nearly all of the Republican weeklies in Oregon are running a 12-inch advertisement for the New York Tribune, edited by Whitelaw Reid. They do this in order to have the Tribune "exchange" with them. It may be interesting to know that the Tribune bitterly opposes the policy being pursued by President McKinley in regard to the Philippines. As the original anti-slavery, human rights newspaper of the United States the Tribune could not do less.

Ten Lost Years.

Figure it for yourself. From the age of fifteen to that of forty-five a woman gives one-third of her time to the suffering incident to the recurring periodic function. Ten years of suffering! And this condition of things is popularly accepted as natural, and endured as a feminine disability for which there is no help! Is there no help? There is help for every woman and for almost every woman perfect healing in the use of Dr. Pierce's Favorite Prescription. It insures regularity, dries the drains which weaken women, heals inflammation and ulceration and cures female weakness. It is a temperance medicine — non-alcoholic and non-narcotic.

"I was so weak I did not have breath to walk across my room," writes Miss Isabel Miller, of New Providence, Calloway Co., Ky. "My periods occurred too often and the hemorrhage would be prolonged and the loss of blood very excessive. I also had spells which the doctor said were fainting fits. I did not gain strength from one monthly period to another; was very weak and nervous all the time. Was confined to my bed for three months and the doctor told me I would never be any better. I lived in this way from sixteen years old to twenty-three. I was at last advised by a kind friend to try Dr. Pierce's Favorite Prescription, which I did, and before I had taken two bottles of it I could work all day. I took in all six bottles of the "Favorite Prescription" and about five vials of Dr. Pierce's Pellets. I used no other medicine. I have never had a return of this trouble since."

That Throbbing Headache

Would quickly leave you, if you used Dr King's New Life Pills. Thousands of sufferers have proved their matchless merit for Sick and Nervous Headaches. They make pure blood and strong nerves and build up your health. Easy to take. Try them. Only 25 cents. Money back if not ured. Sold at Linn's Drug store.

No Cure, No Pay.

That is the way all druggists sell Grove's Tasteless Chill Tonic for Chills, Malaria and Billiousness. It is as pleasant to take as Lemon Syrup. 50 cents.

Joseph Stockford, Hedgdon, Me. healed a sore running for seventeen years and cured his piles of long standing by using DeWitt's Witch Hazel Salve. It cures all skin diseases. Vincent & Co, Corner Drug Store.

Acker's Dyspepsia Tablets are sold on a positive guarantee. Cures heartburn, rising of the food, distress after eating or any form of dyspepsia. One little tablet gives immediate relief. 25 cents and 50 cents. W L DeLano, Druggist.
