ELECTRIC LIGHT CO

Dr. D. A. Paine Purchases the Church Interest in the Company.

IMPROVEMENTS WILL CONTINUE. Dr. D. A. Paine, superintendent of the insane asylum at Salem, has purchased from the estate of J. C. Church, deceased, the stock held in the Eugene Electric Light Co., their holdings amounting to three-eighths of the total. Mr. Paine has also been elected president of the company. The other officers will remain as in the past.

We are assured that the company will continue improvements in the future, as in the past, keeping abreast of the times.

The company has one of the best plants in the Pacific Northwest, and is giving the people of Eugene a first-class service. The superintendent of the company, James F. Robinson, is entitled to much credit for the same. He is a rustler, and is deservedly popular.

From New Zealand. REPTON, New Zealand, Nov. 23, 1896. I am very pleased to state that since I took the agency of Chamberlain's medicine the sale has been very large, more especially of the Cough Remedy.

In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place a bottle beyond the reach of the children.

Still More Counterfeiting.

The Secret Service has unearthed another band of counterfeiters, and secured a large quantity of bogus bills, which are so cleverly executed that the average person would never suspect them of being spurious. Things of great value are always selected by counterfeiters for imitation, notably the celebrated Hostetter's stomach Bitters, which has many imitators but no equals for indigestion, dyspepsia, constipation, nervousness, and general debility. The Bitters set things right in the stomach, and when the stomach is in good order it makes good blood and plenty of it. In this manner the Bitters restores vigor to the weak and debilitated. Beware of counterfeiters when buying. See that a private Revenue Stamp covers the neck of the bottle.

story of a Slave. To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich, tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50c. Sold by Lion, druggist.
