Tonight: and Saturday: Fair!

FRIDAY - - - JAN 5

OUR GUAM LAWMAKER.

Captain Leary, governor of Guam, our new island possession in the Pacific Ladrone islands, has no trouble about getting a prohibition law. He simply makes the order and it stands. The captain has amended the marriage laws so polygamy is prohibited. No liquor can be sold unless by special government license, temperance being the chief source of crime and trouble in the island. The export of domestic animals and food products is forbidden unless by special license. It appears that Governor Leary does not propose to allow the people to take too many feast days and holidays, the celebration of which takes no small part of the year in Spanish communities. He makes this order:

"Public celebration of the feast days of the patron saints of villages will not be permitted. The church and its members may celebrate their feast days within the walls of the church, chapel or private residences in accordance with the regulations for the maintenance of the public peace, and unless otherwise ordered the only holidays recognized will be Sunday and the holidays authorized by the United States statute laws and by proclamations of his excellency, the president of the United States."

OUR PHILIPPINE BURDEN.

A special to the New York Herald from Washington has this about our Philippine burden: "There will probably be no reduction in the military force now in the Philippines for at least six months. Including all arms of the service, there are now in the islands 65,000 soldiers, in addition to about 1200 marines at Cavite and about 5000 soldiers on the warships. The total of the fighting forces is thus fully 70,000 men."

infested with woolly aphids and other pests, it is due to the Oregon State Board of Horticulture to say that the rules of that board require every nursery to which it issues a certificate of inspection, to treat with hydrocyanic acid gas all nursery stock which they send out. If this is done no live specimens of the woolly aphid or other insect will be found on the trees. If any nursery sends out trees which have not been so treated, it is no longer entitled to the use of the board's certificate.

Lake Michigan waters are clearing the inky black substance of Chicago river, that by courtesy was termed water. The large body of water that will be taken from the lake and passed through the drainage canal, together with the purifying of the sewerage at cleansing works will, it is thought, overcome the strong prejudice against the canal by residents along the line thereof, and the people along the Mississippi river, into which it must empty.

A Yaquina Bay sand collector has presented the Portland free museum a collection of twenty-seven kinds of sand handsomely inclosed in a glass tube. The sand possessed by the keepers of the summer resort hotels of Yaquina is not included in the lot. Some of that sand, together with a sample bill, would add greatly to the interest of the collection.

Portland will not allow further construction of wooden sidewalks within the fire limits of that portion of the city where earth foundations may be had for the construction of cement walks. A good move.

Life insurance is good for your family. Health insurance is good for both YOU and your family.

You collect health insurance by living. You have to die before life insurance can be collected. If you knew your health was threatened you'd insure it if you could. You can insure your health.

The stomach is the vital center of the body. The whole body is nourished from the stomach. The blood is made in the stomach. A disordered stomach means disordered blood, disordered blood, disordered brain. You never heard of a sick person with a sound stomach. Make your stomach sound and you insure your health.

How? As thousands of others have done by the use of Doctor Pierce's Golden Medical Discovery. It's the one sure medicine for the stomach. It heals. It strengthens.

"Words fail to express what I suffered for three years, with cold chills, palpitation of heart, shortness of breath, and low spirits," writes Mrs. A. C. Jones, of Waterboro, Colleton Co., S. C. "I could not sleep and really thought I would soon die. Had a peculiar roaring through my head all the time. Was so emaciated and weak I could not feed myself. My aunt induced me to try Dr. Pierce's Golden Medical Discovery, which I did, only to please her, and six bottles cured me. To-day I am sound and well. During the three years I was sick I had five different physicians."

Consult Dr. Pierce by letter, free. All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y. Brave Men Fall

Victims to stomach, liver and kidney troubles as well as women, and all feel the result in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run-down feeling. But there is no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man who he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at Linn's Drug Store. Every bottle guaranteed.

PLAYED OUT.

Dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores, are all positive evidence of impure blood. No matter how it became so, it must be purified in order to obtain good health. Aker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons, or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. For sale by W. L. DeLano.

To Cure a Cold in One Day.

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

It has been demonstrated repeatedly in every state in the Union and in many foreign countries that Chamberlain's Cough Remedy is a certain preventive and cure for croup. It has become the universal remedy for that disease. M. V. Fisher, of Liberty, Va., only reports what has been said around the globe when he writes: "I have used Chamberlain's Cough Remedy in my family for several years and always with perfect success. We believe that it is not only the best cough remedy, but that it is a sure cure for croup. It has saved the lives of our children a number of times." This remedy is for sale by W. L. DeLano.

Oregon Agriculturalist: In view of the discussion which has arisen in reference to the shipment of Oregon fruit trees to Washington, which are said to have been badly

One and two connect at Albany and Corvallis with Southern Pacific trains, giving direct service to and from Newport and all points on the Oregon coast and San Francisco and Seattle.
Trains for the mountains arrive at Portland at 10:00 a.m., giving ample time to reach camping grounds on the Klamath and Santiam the same day.
