BUSINESS CHANGE.

C. C. Matlock and E. F. McClanahan Dissolve Partnership.

Messrs. C. C. Matlock and E. F. McClanahan, proprietors of the Eugene Rambler agency, have dissolved partnership. Mr. Matlock has purchased the business and will continue it at the present stand. Mr. Matlock is a successful young business man, and the volume of trade this firm enjoyed last year promises to be eclipsed during the coming season.

Mr. McClanahan is still engaged in traveling for Mr. Merrill, placing agencies, and when the season opens will probably take the Spokane branch agency, or some other good situation, for his work has proven very satisfactory.

Both young men are to be congratulated on their continued successes.

"WAR IS OVER."

Several years since Mr. J. Carman, who resides across the railroad track at the east end of Eighth street, contracted a matrimonial alliance that has been productive of little happiness. Frequent jars and disturbances about the Carman residence at all hours of the twenty-four scandalized the otherwise quiet and peaceful neighborhood "over the race."

But an end came to all things, and so with the Carman alliance. The mistress of the household (rumor says she was master to) took herself to Halsey where she serves up boarding house hash. The head of the house, wearied by the long strife, and desirous of proclaiming to the world the separation, and cessation of hostilities, has raised a flagpole at the gate leading to the front door and has hoisted to the top thereof a piece of a shirt and a lace curtain, flags or truce as it were. A placard to the gate announces that the "War is over." Happy man!

Glee Club Reception.

The student body of the University of Oregon will tender a reception to the Berkeley Glee Club this evening after the concert.

The affair will be held in the Armory and all students, members of the faculty and alumni are cordially invited to be present.

Hop Combine Meeting.

SALEM, Or., Jan. 10.—President M. L. Jones, of the Oregon Hopgrowers' Association, has issued a call for the annual meeting of the stockholders to be held at Woodburn January 13. All hopgrowers are invited to be present.

FIRE ALARM.—From proceedings of the city council of Albany: "Mr. Stewart presented figures showing the cost of a fire alarm system in Albany, with six boxes to be \$1695 to \$2045 with \$85 extra for additional boxes and \$150 where attached to both houses. Mr. Stewart said the fire board were contemplating a striking apparatus with button attachment at each engine house." Eugene ought to have a fire alarm system. The GUARD has been in favor of one for several years.

Just received a full car load of superior steel ranges and cook stoves which were bought early. Prices still reasonable at F. L. Chambers

ATTENTION, VOTERS.

Save Delay by Getting Posted as to Registration Law

Under the provisions of the registration law all persons when registering are required to furnish to the registering officer the following information:

If naturalized, the time, place and court of naturalization in this connection. It is necessary to produce naturalization papers, or declaration of intention.

Residence must be specific, giving precinct, section, township and range, if within town or city, the street number if any, and number of lot and block; if any building where rooms are numbered the number of the room and floor must be given.

In order to avoid unnecessary delay and inconvenience, every person desiring to register should be prepared to furnish the above information.

Facilities will be furnished in every precinct of the county by either justice of the peace or notary public.

A BAD ACCIDENT.—This morning about 8 o'clock L. B. Rowland was severely kicked by his horse, while engaged in currying it. The horse's feet struck Mr. Rowland on the left arm near the shoulder, which it dislocated, and in the breast on the right side. Dr. Kuykendall set the shoulder, and attended the injured man who is resting in bed, but will be very sore for several weeks. Mr. Rowland is over 70 years old and it is very fortunate the injuries proved no worse.

ASSESSMENT ROLLS IN.—The assessment rolls of 1899 are all at Salem. The total valuation of the assessable property in the state is \$120,287,879, against \$138,533,677 in 1898. Lane county's in 1899 is \$5,358,949 against \$6,309,440 in 1898.

The Six Day Bicycle Race.

There is a movement on foot to prohibit six day bicycle races, on the ground that they are brutal. No doubt, the long period of exhaustion the contestants undergo is ruinous to the constitution. But are not things done every day that are equally so? Take for example the man who neglects his stomach. This means impoverished blood, weakness and debility. There is only one way to get good health, and that is by taking Hostetter's Stomach Bitters. This wonderful medicine aids digestion, tones the system, and fills the veins with rich red blood. It cures biliousness, constipation, dyspepsia and nervousness. It has been the standard medicine of the American people for fifty years. So that a private revenue stamp covers neck of the bottle.

The Chicago court in which the will of George M. Pullman was probated has allowed Robert T. Lincoln and Norman B. Ream, who were the executors, compensation amounting to \$425,000. It is said to be the largest amount ever allowed the executors of an estate.
