BANQUET TONIGHT.

Formal Dedication of the New Rooms of the I. O. O. F.

Tonight the new banquet room of Spencer Butte lodge No. 9, I. O. O. F. will be formally dedicated, and the advance arrangements indicate a very pleasant time. The new room is located on the second floor of the I. O. O. F. building, has been handsomely papered, fitted with clusters of electric lights on the ceiling, has two large and commodious side rooms for use as kitchen and store room, and will easily accommodate 100 persons at the tables.

The dedication of the hall will occur after lodge work, or about 9 o'clock. The banquet room will not be decorated, as the lodge desires to show off its room as it stands, and it will bear the closest scrutiny. At the close of the banquet the lodge membership and invited guests will again assemble in the main lodge room on the third floor and listen to a specially prepared program, which will be very excellent. The Odd Fellows have reason to feel proud of their new banquet room, and the event of tonight will be one of much satisfaction to all present.

Invitations have been extended to all the lodges in Lane county and it is known that a large number of visitors will be in attendance. Other lodges in Lane county are at Cottage Grove, Springfield, Coburg, Irving, Junction, Lorane and Florence.

CLUB MEETING.

Mr. and Mrs. Jerry Horn enter aimed the H. A. L. club last evening at their home on Seventh street. Whist was the principal amusement of the evening. Mrs. L. L. Whitson and Robt. Murphy tied for the first prize, while the booby prize went to Mrs. D. Link without any apparent effort on her part. At the close of the contest luncheon was served in the dining-room, which was prettily embellished with evergreens for the occasion. Members and guests present were as follows: Mr. and Mrs. L. Link, Mr. and Mrs. W. C. Yoran, Mr. and Mrs. Robt. Murphy, Mr. and Mrs. F. Wetherbee, Mr. and Mrs. W. L. Cheshire, Mr. and Mrs. G. D. Linn, Mr. and Mrs. B. H. Miller, Mr. and Mrs. J. W. CHURCH MEETING.

The members of the Presbyterian church, of this city, held their annual meeting yesterday evening, and transacted the business necessary to a successful conduct of the church, besides enjoying a pleasant social session. Financially the church is in good condition and the trustees are considering the advisability of placing new carpets and pews in the main auditorium. The salary of the pastor was raised to \$1000 per annum. Officers for the ensuing year were selected as follows: J. G. Stevenson and C. S. Hunt elders for three years; W. W. Martin, trustee for one year; S. B. Eakin, treasurer; C. M. Collier, clerk. The ladies of the church served a dinner at 6 o'clock in the Sunday school room of the church.

Man in the Future.

Many men of learning devote much time to the study of the man of the future. They all agree that he is to be very superior to the present generation. Great physical strength is prophesied, but this at least is within the reach of everybody. Hostetter's Stomach Bitters will bring health and strength to anyone who uses it faithfully. It cures constipation, indigestion, dyspepsia, biliousness, malaria, fever and ague, and liver and kidney troubles. It makes rich red blood, and with pure blood comes health. It builds up the whole system, putting vigor into the nerves and blood, firmness into the muscles and health into the bowels. Give it a trial, and see that a private revenue stamp covers the neck of the bottle.

DEFUNCT STREET RAILWAY.—Monday's Portland Telegram: "The steamer City of Eugene is due today from Corvallis. She has aboard a cargo of street-car rails, consigned to the Lost Lake Lumber Company, at Hood River. The rails will be used in construction of a logging road at the company mill. The rails are the last of the defunct street railway at Corvallis. A car was operated on the line last summer between the depot and the hotel. Passengers were few and far between, so the line ceased to operate, and the rails were sold to the Lost Lake Lumber Company."

A SCOUNDREL.—A brute this morning caught a little girl about 12 years of age in his arms, forcibly, while she was going to school, on her bicycle, at the corner of Pearl and Eighth streets. At last she freed herself, but he even then followed her a block or two. She was badly scared, and says she cannot identify the man. The officers are working on the case, but have no clue. Such scoundrels ought to have a dose of Southern lynch law.

75 bicycles, all 1900 Cresentos, now on the way. Wait for them. F. L. Chambers.

CALL ISSUED.—The Pilgrim Congregational church, of Oakland, Calif., has issued a call to Rev. Raymond C.
