There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given at the attack, in cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. For sale by W. L. DeLano.

DELEGATES MEETING.

At the Court House This Evening at 7:30 O'clock.

The members of the Citizens County convention will hold a delegates meeting in the court house at 7:30 o'clock this evening.

J. J. WALTON AND OTHER DELEGATES.

Things Theatrical.

"Have You Seen Smith," at The Parker came up to some of the advance notices of the farce comedy. It did have more of a plot than the average farce, it is true, but to be sure the audience would not get more than their tickets called for, this was offset by a dearth of specialties, and as specialties are the life of farce-comedy the play was flat, very flat. The dancers couldn't dance, and with possibly one exception the singers couldn't sing. While some of the gags were too young to have whiskers, they made up this deficiency by having lived their wicked little lives around Bowery music halls. The audience was large and it breathed a sigh of relief when the final curtain rang down.

The work of Yerington's orchestra between acts was the principal feature of the evening.

Sunday Afternoon Addresses to Young Men.

On next Sunday afternoon C. Calvert Smoot, pastor of the Baptist church, will begin a series of addresses to young men over eighteen and under forty-five years of age. The addresses will be given in the Baptist church at 3:30 p. m. every Sunday. A short and sprightly song service will precede each address.

The subject for next Sunday's address will be, "Dr. Jekyll and Mr. Hyde." Brief extracts from this masterpiece of Robert Louis Stevenson will be read during the course of the address.

All young men are cordially invited to attend these addresses.

Robbed the Grave.

A startling incident, of which Mr. John Oliver, of Philadelphia, was the subject, is narrated of him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Linn's drug store.

Remarkable Cure of Rheumatism.

KENNA, Jackson Co., W. Va.
About three years ago my wife had an attack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S. Maddox insisted on my using Chamberlain's Pain Balm. I purchased a fifty-cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.—A. B. PARSONS. For sale by W. L. DeLano.

The Latest War News.

The latest war news is eagerly sought after. To some it brings happiness, as they read of valiant deeds accomplished, while to others, the same message brings sorrow, when they note the death or capture of their loved ones. There is also much sorrow and suffering throughout our own country by those who have been captured by that greatest enemy—Dyspepsia. For this, however, there is a remedy and that is Hostetter's Stomach Bitters, which also cures indigestion, constipation, biliousness, nervousness and insomnia, and as a preventative for malaria, fever and ague it is unequalled. It has a record of fifty years of cures to back it up and a trial will convince you that your case is not incurable, as you will find after taking a few doses your stomach will be strengthened.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50c. Sold by G. D. Linn, druggist.

It Saved His Leg.

P. A. Danforth, of LaGrange, Ga., suffered intensely for six months with a frightful running sore on his leg, but writes that Bucklen's Arnica Salve wholly cured it in ten days. For ulcers, wounds, burns, boils, pain or piles it's the best salve in the world. Cure guaranteed. Only 25c. Sold by G. D. Linn, druggist.

To the Patrons of The Parker Opera House.

The price for the Pudd'nhead Wilson Company has been advanced for some of the seats to \$1.00. This becomes necessary as this is a very expensive company and seldom stop in as small towns as this. The people of Eugene should liberally patronize them and make it possible for us to secure other such attractions.
I can guarantee this company to be the original and a first class attraction.

Manager Parker Opera House.

Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and \$1.00. Every bottle guaranteed.
