WELL DRESSED MEN.
 ORDER OF THE CITIES IN WHICH THEY MOST ABOUND.
 An Expert Says Denver Leads the List. With San Francisco Second, Chicago Third, Washington Fourth, and New York Trails Along Fifth.
 "I'd probably be discharged, mobbed and have all sorts of things happen to me if I said this over in the big town, but I can name you at least four American cities the men of which are better dressed than the men of New York," said a man who travels for a New York merchant tailor's supply house and whose territory is the whole continent. "I'll name them in the order of their standing as communities inhabited by the best dressed men: Denver, San Francisco, Chicago and Washington. How do I figure it? Just according to the rule of sight, that's all. I don't profess to know much about Egyptology, but I do know a well dressed man when I see him."
 "Mind, I don't say that all of the men of those four cities are better dressed than all of the men of New York, but I do maintain and say any impartial man who knows the four towns mentioned as they are now will uphold me in maintaining that in ratio to their respective populations the men of Denver, San Francisco, Chicago and Washington are very much better dressed than are the men of New York. Of course this has been the case only in very recent years. New York was until, say, five years ago away ahead of all its rivals as a city of the best dressed men. At that time if you wanted to see hundreds of perfectly dressed and perfectly groomed men engaged in doing business all you had to do was to take an elevated train up town in the neighborhood of 10 o'clock in the morning and watch the men, young, middle aged and old, who boarded the train for the down town financial district.
 "Of course you'll still see slews of thoroughly got up men down in the financial district of New York, but not so many by 75 per cent as formerly. On show occasions, such as Easter Sunday afternoon, New York will still turn out a finely clad batch of men, but I'm not talking about show occasions now. I'm talking about men who are well clad year in and year out, and it is in this respect that New York has fallen into the 'also ran' list.
 "When you meet up town in New York a genuinely swaggar man—not a flashily dressed man, but one who is thoroughly and properly rigged out from his hat to his shoes—you are liable to turn around to get a rear view of him, and then the fact is liable to be slowly borne in upon you that he is some member of a theatrical profession whom you have seen upon the stage. There are still plenty of flashily dressed men circulating around New York, but a flashily dressed man never will be a well dressed man.
 "The reason why the men of Denver are such a well dressed lot isn't entirely clear to me. It can't be especially because there are so many well off men in that town, because there are myriads of well off men in New York. Maybe it is because, in proportion to the population, there are probably more men with large incomes in Denver than in any city on the continent, not excepting Helena, that used to bear that distinction. You scarcely ever see a badly dressed or an over-dressed man in Denver. Shabby men there are in plenty, of course, but I don't call a shabby man a badly dressed man. A badly dressed man is one who, while having plenty of means to equip himself with a good make up, hasn't the taste to do it and therefore makes his appearance as a slouch—that's the word for it—slouch. A shabby man is simply a man who is in his uppers and makes no pretensions.
 "The clerks and other men of very moderate incomes in Denver, men who can't afford to 'keep in the push' as far as correct dressing goes, don't make any effort whatever to tog themselves out in cheap, dismal imitation of the men with plenty of money; but, like the young woman in the song, 'they always dress in black.' The business men who run plants of their own, however, seem to pay just as much attention to the job of getting themselves ready for business on weekday mornings as they do to the task of arraying themselves for social functions or evening appearances.
 "Easterners who have gone out to the coast have often commented upon the swiftness of the average well fixed San Francisco man in the matter of clothes. The San Francisco man with an income certainly gets himself up 'proper,' as we say, and he's got the right kind of a make up for every occasion. Take the race tracks around San Francisco, for example. Every man who goes to the races out there goes in a regular racing rig, from paddock coat to fieldglass and from the top of his 'downs' boots, and so do the Frisco women, for the matter of that. Another thing, I'll venture to assert that nine out of ten men in San Francisco whose incomes are \$2,000 a year or over rig out in evening clothes every night in the year, summer included. A great many more men of moderate incomes in Washington don evening clothes than men of similar incomes in New York. The men of Washington dress with singular neatness, many with notable elegance. The excellence of the Washington average, I suppose, is to be accounted for by the absence of a large laboring class here."
 —Washington Post.

RED CROSS BENEFIT.
 At the Armory April 24.
 Owing to an almost empty treasury, the Red Cross Society is forced to raise funds immediately. The ladies have decided to give a concert, followed by a social. Eugene's best talent has been secured for the program, and Yerington's splendid orchestra will play during the evening. The price of admission will be 25 cents, and it is to be hoped that the citizens of Eugene will respond in their usual patriotic manner. It is against the principles of the Red Cross Society to solicit contributions, but when an urgent need is once properly placed before the public, it is deemed all that is necessary. The following letter is self explanatory:
RED CROSS NEEDS AID.
 CALIFORNIA SOCIETY APPEALS TO OREGON FOR FUNDS.
 San Francisco, March 21, 1900.—Mrs. Henry E. Jones, President of the Oregon Emergency Corps and Red Cross Society—My Dear Madam: Mrs. Harrington finds it necessary, in view of our almost complete state of bankruptcy, to appeal to the friends of the California Red Cross Society throughout the country for assistance to keep our doors open for a season longer.
 On this coast it is a well-known fact that California assisted in some way every regiment passing through, asking nothing for her own men. That assistance was gladly given, and in many cases appreciated, and we would not now ask a return, except that each transport brings some pitiful cases, which do not come under government, and consigned direct to us by nurses, etc. in the Philippines, or their own families elsewhere, and how can we close our work in the face of all this suffering? If only you—everybody—could look into our office the day after the arrival of the transport, a ready, hearty response would follow from all over this great, generous country. We beg of the country simply to help their sons and brothers through us. They are not Californians, but that makes no difference to us.
 If you can further any case in any way, please do so, and receive our everlasting gratitude.
 Cordially yours,
 KATHARINE B. ELLIOT,
 Assistant Secretary.
 By order of Mrs. W. R. Harrington,
 President of California State Red Cross Society.

This man was riding a bicycle made in the East, that is why he is mad. It will take 30 days to get a new frame, and the express will be \$10. You can be wiser than he, buy a Barker or Ku-Kluck bicycle made in Eugene. In the first place they don't break, and if they should happen to break you can get the part in one day and pay no express. Prices the lowest in the world, quality considered.
 Barker Standard 1900 model \$35. Barker 1899 \$30. Ku-Kluck \$25
 Our bikes have been five years on the market, and are well liked, call and see us.

Hunt, of Lime Ridge, Wis, by her doctor, after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvelous power of Electric Bitters to cure stomach and liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. Very Unusual
 It is very unusual for a regular physician of good reputation to publicly endorse a proprietary remedy. We have often heard of cases where doctors receive the following voluntary letter from C. F. Smith, M. D., the most successful physician of Olean, N. Y.:
 "Messrs. W. H. Hooker & Co., New York City: I wish to add my professional testimony to the value of Acker's English Remedy for Asthma, etc. In several instances, after I have tried my utmost to give even relief, I have prescribed your remedy, and it has acted almost like a miracle, not only relieving, but permanently curing every one of the patients. I endorse the preparation as one of the most valuable additions to the practice of medicine."
 Such a frank endorsement as the above is phenomenal. Coming from so distinguished a member of the medical profession, it carries with it an assurance which the public will be sure to value. It is a recommendation like this which make it possible to give the broad guarantee that is a part of every sale of Acker's English Remedy for Coughs, Colds, Asthma, Bronchitis and Consumption. It must either do all that is claimed for it, or your money will be refunded. Do you know of any other medicine sold on these terms? Do you know of any other medicines which prominent doctors regularly prescribe in their own practice as being better than prescriptions they write themselves? These facts are well worth considering. They are of especial interest to those with sore throats and weak lungs.
 Sold at 50c, 75c, and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 6d., 2s. 6d., and 5s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.
 We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

Cold Steel or Death.
 "There is but one small chance to save your life, and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Lime Ridge, Wis, by her doctor, after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvelous power of Electric Bitters to cure stomach and liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure stomach, liver and kidney troubles and never disappoints. Price, 50c, at DeLano's drug store.

 Wm. Orr, Newark, O., says: "We never felt safe without One Minute Cough Cure in the house. It saved my little boy's life when he had the pneumonia. We think it is the best medicine made." It cures coughs, and all lung diseases. Pleasant to take, harmless and gives immediate results. Vincent & Co., Corner Drug Store.

Very Unusual
 It is very unusual for a regular physician of good reputation to publicly endorse a proprietary remedy. We have often heard of cases where doctors receive the following voluntary letter from C. F. Smith, M. D., the most successful physician of Olean, N. Y.:
 "Messrs. W. H. Hooker & Co., New York City: I wish to add my professional testimony to the value of Acker's English Remedy for Asthma, etc. In several instances, after I have tried my utmost to give even relief, I have prescribed your remedy, and it has acted almost like a miracle, not only relieving, but permanently curing every one of the patients. I endorse the preparation as one of the most valuable additions to the practice of medicine."
 Such a frank endorsement as the above is phenomenal. Coming from so distinguished a member of the medical profession, it carries with it an assurance which the public will be sure to value. It is a recommendation like this
