particular and special damage to these plaintiffs, and each of them, in preventing and obstructing plaintiffs and each of them in the use of their said lots abutting and adjoining on said public square and highway. That said defendant, the Eugene Loan & Savings Bank, has been requested to vacate said land and remove said material and rubbish therefrom, but has refused so to do, and denies and prevents plaintiff herein from their lawful use of said portion of said public square and highway. That said defendant, the Eugene Loan & Savings Bank, claiming to be the owner of and to have the right to the possession of said portion of said square and highway, as aforesaid, now unlawfully and wrongfully, is preparing and threatening to erect a brick building on said land and to forever obstruct and interfere with the use and enjoyment of said land as a public square and highway by plaintiffs herein and the people of Lane county. That said acts and threatened acts of the said defendant, the Eugene Loan & Savings Bank, of creating and maintaining a nuisance, as aforesaid, on said portion of said public square and highway will greatly diminish the value of the said premises of plaintiffs by obstructing said public square and highway upon which the said premises of plaintiffs abut and adjoin, and by rendering access to the said premises of plaintiffs less convenient and otherwise.

Eleventh—That said defendants, E. O. Potter, W. T. Bailey and H. D. Edwards, have been requested to abate the nuisance created by the acts of the said defendant, the Eugene Loan & Savings Bank, hereinbefore set forth, and to perform their duty as trustees aforesaid to protect said square and highway and the use thereof, but have refused and neglected so to do, and have wrongfully, fraudulently and collusively and in violation of said trust made said pretended deeds as aforesaid.

Twelfth—That the consideration paid to said defendants, E. O. Potter, W. T. Bailey and H. D. Edwards, claiming to act as commissioners, as aforesaid, by said defendant, the Eugene Loan & Savings Bank, was the sum of \$254.13 for said land as aforesaid. That said and so deeded was at the time said pretended deeds were made, and is now, reasonably worth more than the sum of \$1000, as each and all of said defendants well knew, and that at the time of said sale and before said pretended deeds were made, or delivered, said defendants, E. O. Potter, W. T. Bailey and H. D. Edwards, were offered and refused the sum of \$1000 for said land in deeds described. That said defendants, E. O. Potter, W. T. Bailey and H. D. Edwards, wrongfully, unlawfully, collusively and fraudulently sold said land at a private sale to said defendant, the Eugene Loan & Savings Bank, and made and delivered said deeds, as aforesaid, for a grossly inadequate price and consideration as each and all of said defendants well knew. That said pretended sale was and is in all things unlawful and constitutes a fraud on plaintiffs and the taxpayers and people of said Lane county.

Thirteenth—That each and all of said acts of defendants, as aforesaid, were and are an irreparable injury to the plaintiffs herein and of each of them, and to the people and taxpayers of Lane county, Oregon, and that plaintiffs have no plain, speedy or adequate remedy at law.

WHEREFORE, plaintiffs pray for a decree of this court setting aside said pretended deeds from said defendants, E. O. Potter, W. T. Bailey and H. D. Edwards, and declaring the same to be null and void, and that defendants be required to immediately remove from the property above described all material and rubbish placed thereon; and that they and each of said defendants, their agents, servants and employees of them, or either of them, and any and all persons and corporations claiming by, through or under said defendants and each of them be perpetually enjoined from interfering with the free use and enjoyment of said land and property by the plaintiffs and the public and the persons whom the plaintiffs represent, as a public square and highway and for such other and further relief as may be equitable, and that these plaintiffs have judgment for costs and disbursements of this suit.

THOMPSON & HARDY and L. BILLY, Attorneys for Plaintiff.
