Fourth of July.

Seven weeks from now Fourth of
July will be here. Is Eugene to
celebrate?A business letter to the Guard from
Crewell brings this statement, "Is
Eugene going to celebrate? We would
rather attend a celebration there than
elsewhere?" It is probably true of
other sections of the county. As a
rule the people would prefer to come
to the county seat for the day than
institute several small celebrations
over the county. Eugene is large
enough to celebrate every year.It is absolutely necessary to call a
meeting at once to appoint a com-
mittee and get all details started. If
Eugene intends to celebrate. What
will be done about the matter?

Robbed the Grave.

A startling incident, of which Mr.
John Oliver, of Philadelphia, was the
subject, is narrated by him as follows:
"I was in a most dreadful condition.
My skin was almost yellow, eyes
sunken, tongue coated, pain continu-
ally in back and sides, no appetite—
gradually growing weaker day by day.
Three physicians had given me up.
Fortunately a friend advised trying
Electric Bitters, and to my great joy
and surprise, the first bottle made a
decided improvement. I continued
their use for three weeks, and am now
a well man. I know they saved my
life, and robbed the grave of another
victim." No one should fail to try them.
Only 50 cts, guaranteed, at W.
L. DeLano's drug store.Oregon Christian Endeavor Con-
vention.The thirteenth annual convention
of Oregon Christian Endeavorers will
be held in Albany, May 25-27, 1900.
Among the speakers of the convention
are John G. Wooley, Chaplain Gilbert
and Dr. Hayes. Saturday evening
will be given up to a stereopticon
lecture on the "Life of Christ," the
illustrations being the famous Tissot
pictures, painted by J. James Tissot.
Song services, prayer meetings and
rallies will be the order of the day
and a large and enthusiastic conven-
tion is anticipated.

He Fooled the Surgeons.

All doctors had told Renick Ham-
ilton, of West Jefferson, O., after suffer-
ing 18 months from rectal fistula, he
would die unless a costly operation was
performed; but he cured himself with

the surest pile cure on earth, and the
best salve in the world. 35 cents a
box. Sold by W. L. DeLano, druggist.SAY JUST A MINUTE PLEASE.—As
the tide of prosperity has not struck
me very forcibly yet and I haven't got
the money to pay my taxes; in order
to get it, I will give some one an im-
mense bargain in a piano or organ for

opportunity.—Don't miss it.

ATHLETIC EXHIBITION.

Given at the High School Last
Night.The storm probably prevented a
larger attendance last night at the
entertainment in the High School
assembly room, given by the girls'
class in physical culture. What the
audience lacked in numbers, however,
it made up in enthusiasm.Special music was furnished by Miss
Sadie Ford, who opened the program
with a stirring march on the piano,
and by the Amelita Mandolin Club,
composed of Messrs Austin, Kerns and
Bellman. Miss Winnie Smith played
the accompaniments for the class
exercises.The entire class engaged in the fancy
marching which was the first number
given, and in the Irish jig, which was
the closing number. Divisions of five
and six gave exhibitions of club
swinging, dumbbell work, and the
wand drill. Miss Corn Wold and
Daisy Gilbert gave the Irish lit.This entertainment closes the work
of physical training in the high school
for this year. It has been purely
voluntary on the part of the pupils,
and the twenty odd students who
received greater or less benefit, accord-
ing to the interest they took and the
time they devoted to it.Miss Jean Wold, the capable in-
structor, has succeeded in arousing a
real interest in physical education,
and it is to be hoped that the good
work can be continued next year.The names of those who took part in
the exhibition last night are: Cecil
Adams, Grace Edmondson, Daisy
Gilbert, Zella Good, Ernestine Hoop,
Grace Holden, Lulu Howe, Delia
Tibbets, Edythe Vincent, Lillie
Wood, Cora Wold, Clara Wold.

No Diplomacy in This.

Albany Democrat: The national
committee, it is reported, has dis-
tributed through Oregon 200,000 of
Tongue's Porto Rico tariff bills. In
which he argues in favor of doing
business out-side of the constitution
and levying a tariff on inhabitants of
the United States. The committee
evidently wish to see him defeated.FORMER EUGENE BOY.—The Her-
ald, of May 3, published at Panama,
New York, has an article which speaks
in very flattering terms of the suc-
cessful work of Professor Seward S. Travis,
who was elected to the position of
principal of the Panama schools.
Professor Travis is a son of Mrs G. J.
Travis, of this city, and at one time

INDIGESTION

If you have it you know
it. You know all
about the heavy
feeling in the
stomach, the
nausea, sick head-
ache, and general
weakness. You can't
have it a week without
your blood being impure,
your nerves exhausted,
and your liver sluggish.Ayer's
Sarsaparillamakes the blood pure, strength-
ens the digestion, and tones up
the nerves. And Ayer's Pills will
arouse the sluggish liver and cure
your constipation."After suffering terribly with dys-
pepsia, I tried your Sarsaparilla. I took
three bottles, and now feel like a new
man. I would advise all my fellow cre-
atures to try this medicine."

Locomotives Run With Oil.

One of the largest railroads on the
Pacific coast has decided to substitute
oil in place of coal as fuel on its
engines. But whether the experiment
will prove a success remains to be
seen. In this respect it differs from
the famous Hostetter's Stomach
Bitters, which has made a decided
success in its 50 years of cures of
stomach ills, such as dyspepsia, indi-
gestion and biliousness. Do not
experiment with unknown remedies
when this safe and reliable medicine
can be had of any druggist. Try a
bottle and be convinced. It will build
up your debilitated system, strengthen
your weak stomach and make it
capable of digesting the food taken
into it, and when this is done health
must naturally follow.
