Vesuvius Has Lost Its Cone

This fiery crater, now suddenly
silent, was explored by scientific men
who discovered that the cone had
disappeared. Several theories are
propounded as to why the eruption
ceased, also regarding the disappear-
ance of the cone. The general belief
is that it was due to subsidence, and
which is looked upon as providential.
It was as unexpected as are the
stomach disorders with which people
suddenly find themselves afflicted.
Slight symptoms are neglected, until
dyspepsia is chronic. The remedy to
take is Hostetter's Stomach Bitters.
This valuable medicine is unequalled
in all cases of constipation, indigestion,
biliousness, or malaria fever and ague.
It brings about a healthy condition of
the bowels, and improves the appetite.
Be sure to give it a trial.

COME ON.—The Oregonian says of
the Chicago & Burlington: "From
Ogden it is the most natural thing in
the world for the road to cut across
into Southeastern Oregon entering
a territory now unoccupied. Then it
will make a bee-line for the pass in
the Cascades between Prineville and
Albany. When this is done it will be
down-hill work to Portland."

DANISH COLONY.

Affairs Are Progressing Very
Favorably.

PROPOSED SASH AND DOOR FACTORY

Rev P L C Hansen, of Portland,
who is interested in the location of a
Danish colony in Lane county, in
conversation with a GUARD reporter
today said everything is very favorable.
At the present time 27 families have
selected land and paid for the same,
and will arrive about September 1,
although some may come sooner.

The first to arrive, Rev Hansen
states, will come from Iowa and Min-
nesota. They wish to dispose of their
present realty holdings before moving
to the West and this is the reason they
will not come sooner. Regarding op-
tions held on other properties and ad-
jacent to that already purchased, Rev
Hansen says he fully expects it will all
be purchased in time. Of course
some of the intending settlers will
await until the advance guard locates,
and learn from them whether or not
they are pleased. It may take two or
three years to settle a colony of con-
siderable proportions, but it will surely
come.

As an earnest of the interest man-
ifested in this enterprise by people of
the Middle West, Rev Hansen in-
formed the reporter that he had re-
ceived a letter of inquiry from the
manager of a large sash and door
factory in one of the lake states who is
looking for a location, and has had his
attention attracted to Eugene by
reason of the proposed location of the
Danes in this county.

While on this trip Rev Hansen will
investigate the feasibility of the loca-
tion of a new factory at this point, and
report to him. Rev Hansen says the
gentleman has ample capital to install
a first-class plant, and if he decides to
locate here will operate a factory on the
most modern methods. Rev Hansen,
from a short survey of the condition
here, is inclined to believe that the
location of another such factory in
Eugene would be a very profitable in-
vestment.

Would Not Suffer So Again for
Fifty Times Its Price

I awoke last night with severe pains
in my stomach. I never felt so badly
in all my life. When I came down to
work this morning I felt so weak I
could hardly work. I went to Miller
& McCurdy's drug store and they re-
commended Chamberlain's Colic, Chol-
era and Diarrhoea Remedy. It worked
like magic and one dose fixed me all
right. It certainly is the finest thing
I ever used for stomach trouble. I shall
not be without it in my house here-
after, for I should not care to endure
the sufferings of last night again for
fifty times its price. G. H. Wilson,
Livermore, Burgetstown, Washing-
ton Co, Pa. This remedy is for sale by
W. L. DeLano.
