SIXTEEN TO ONE.

James D. Richardson, chairman of the Democratic national convention, thus describes the 16 to 1 plank of the Democratic platform: **THE SIXTEEN—**

1. Republic against empire.
2. Trusts.
3. Currency reform.
4. Bimetallism.
5. The Monroe doctrine.
6. Inter-oceanic canal.
7. Civil service.
8. Admission of territories.
9. Plain duty in Porto Rico.
10. War of conquest in the Philippines.
11. Government favors to banks.
12. War department scandals.
13. Cuban postal scandals.
14. The Boers.
15. War taxes.
16. Cost of republicanism and "its twin monster, imperialism."

THE ONE—

The man—"One who stands like a mighty rock in a desert; who, knowing the right, will dare to do right; the typical and true American, William J. Bryan, of Nebraska."

THE MILLER FAMILY.

State Journal: A story is going the rounds of the press about a long-haired brother of Joaquin Miller, who resides in Eastern Oregon and astonishes the natives by his queer doings and sayings. The writer of this was well acquainted with the Miller family when they resided near Coburg in this county, when the four brothers and the sister Ella were young. There was no such brother as John H. Miller. The oldest brother was D. Miller and the next was Cincinnati Hiner Miller, now known as Joaquin Miller, the poet. They both attended Columbia College in 1860 and 1861 and were classmates of ours. John D. Miller went east soon afterward and served in the army during the war of the rebellion. He located in Easton, Pa., and practiced dentistry until his death, perhaps 20 years ago. The writer of this received many letters from him here and at Washington, D. C., during his residence in Easton. The other two brothers were James Miller and Geo. M. Miller, the youngest, who is now in Alaska. "Jim" Miller went to Eastern Oregon long ago, and if yet living, as perhaps he may be, he is probably the long-haired person described under the name of his dead brother.

President Brown, of the Northern Indiana Normal college, who was opposed to Bryan in 1896 and used the influence of his position to the detriment of the democracy, has announced himself in favor of the Nebraskan this year and has pledged his support to the platform adopted at Kansas City and his efforts to secure the election of Bryan and Stevenson. The announcement caused quite a sensation. President Brown's action is synonymous with declarations already made by numerous educators and presidents of colleges in Indiana, following the example of President Jordan, of the Leland Stanford University. The Indiana college faculties have taken a pronounced stand for the democratic ticket. They were opposed to Bryan four years ago, but investigation in the leading institutions caused them to reverse their positions.

Congressman Rhea, democrat, whose title to his seat in congress as a representative of the ninth Virginia district has been sustained against the contest of General Walker, the republican candidate, is a resident of the town of Bristol, which enjoys the somewhat peculiar distinction of being in two states. One part of it is in Virginia; another part lies in Tennessee. The main street of Bristol is the state line, and it is a very convenient one from all accounts for those persons desiring to escape from the jurisdiction of one state to the other.

DR. PIERCE'S Favorite Prescription

"I am so grateful to you for your advice," says Mrs. Sidney B. Oakes, of Whitwell, Pennsylvania Co., Va. "When I commenced your medicines I had been treated by different doctors for three months or more, but would only receive partial relief for a short while and then would be worse than before. Was confined to my bed most of the time. At the time I commenced your treatment my left side was completely paralyzed. Had no desire to eat anything; bowels costive all the time. Nerves were all unstrung, so I could not bear the least noise. I also suffered from diseased ovaries and female weakness. But thanks to my Maker and you, after following your advice, I am able to do all my washing, sewing and house work in general. I haven't had a spasm in two months. Left off medicines about one month ago. Didn't think it necessary to continue them longer. I have taken about seven bottles of Dr. Pierce's Favorite Prescription, seven of the 'Golden Medical Discovery,' and two vials of 'Pleasant Pellets.' I heartily recommend those medicines to all suffering as I was."

makes weak women STRONG, sick women WELL.

Would Not Suffer So Again for Fifty Times Its Price

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McQuinn's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my house hereafter, for I should not care to endure the sufferings of last night again for fifty times its price. G. H. WILSON, Livermore, Burgettstown, Washington Co., Pa. This remedy is for sale by W. L. DeLano.

Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

We call attention to the advertisement of the State Normal School at Monmouth appearing in another column of this issue. The school reports a successful year, with encouraging prospects for the next session. Many teachers are taking the Normal Courses, both for the sake of the professional training, now pretty generally demanded, and also as the best means of preparation for securing the State papers.

A Bet by Fairbanks.

TERRE HAUTE, Ind., July 19.—Crawford Fairbanks, president of the Standard Wheel Company, bet \$1,000 against \$2,000 with Henry Klopfer, of Chicago, that Bryan would be elected. Fairbanks then offered to bet \$10,000 against \$20,000 that Bryan would be elected, and Klopfer declined.

Tile For Sale

Eight inch tile for sale. Inquire of J. R. Campbell at GUARD office.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends. F. A. Babcock, Erie, Pa. It is for sale by W. L. DeLano.

Rev. W. E. Sitzer, W. Caton, N. Y. writes, "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion. It digests what you eat. Vincent & Co., Corner Drug Store."
