GERONIMO INSANE.

After a long period of imprisonment, which he endured more like a ferocious beast than like a human being, Geronimo, one of the most blood-thirsty Indians that ever figured in history, has gone stark mad. He is a prisoner at Fort Sill, Oklahoma Territory.

It cost the government $1,000,000 and hundreds of lives before he was safely behind iron bars. Deprived of his liberty as a punishment for his crimes, he could not stand the confinement. For fourteen years he has been a prisoner of war, the last ten at Fort Sill.

SENSE AND NONSENSE.

The government surplus for the fiscal year ending June 30, 1900, amounted to $81,229,776—and this was made possible by a war tax which brings to the general government a greater income than all "customs duties" by more than $60,000,000.

The Georgia man who chained up his daughter because she married in opposition to his wishes merely demonstrated that she was wise in marrying anyone who would take her away from him.

Shanghai, China, is estimated to have 380,000 inhabitants, of whom 379,000 are liars and nearly 1000 are deaf mutes. This is why the reports from Shanghai are received with caution. In Shanghai the chickens crow for day at 1:30 a. m.

PATERNAL SUPPORT.

MRS THINKER—The bride nearly fainted during the ceremony and had to be supported by her father until it was over.

MRS GOSSIP—Yes! and now I hear that her father is supporting both of them.

The principal nations of the earth, including our own, are in reality at war with China, although technically all are at peace with that country and permit her ministers to do business in their capitals. If China was a weak, puny nation, all of these nations would have long since declared war against her. But she is not and they regard discretion the better part of valor. And the handling of four hundred millions of people in an already overpopulated country is not a job that tempts the cupidity of land grabbing European powers. It is high time that the people of Christendom awoke to a realization of the many serious aspects of the Chinese question.

The Paris Exposition has a traveling sidewalk about a square that gives entrance to the main portions of the Exposition. It is two and one-eighth miles long, and consists of three platforms. The first is six and one-half feet wide and travels five miles an hour; the second is about half the width and travels at half the speed. The third platform is stationery. Old and young persons of either sex mount and dismount from the moving platform with perfect ease and safety. The success of this experiment may induce the building of moving sidewalks in congested streets of some of the world's metropolis.

The formal notification of Bryan and Stevenson will be held in Military Park, Indianapolis, near the business center of the city. It is expected that fifty thousand people will assemble within sound of Bryan's voice.

Geo H Hull, in the Engineering Magazine for August, gives figures to show that the business depressions of the past in the manufacturing nations of the world have been practically contemporaneous.

Chinese Christian converts in South China, who recanted to save their lives, were bridled and saddled and forced to crawl to the temple idols.

The peace of mind of European royalty will be sadly perturbed by the assassination of King Humbert. "Uneasy lies the head that wears a crown."

Lightning played a curious prank with an Ohio man last week. It burned the image of a tree on his side.

Bryan will make six speeches in New York after October 1. In 1896 the state was allowed to go by default.

The official count of the United States census will not be ready for the public before December 1.

The Golf Girl

Is the type of the modern woman at her healthiest and best. She walks with an easy grace. She is a picture of perfect womanhood in the springtime of life. But generally the golf club is laid aside with marriage. A physical languor oppresses the once athletic girl. Exercise makes her back ache. She tires easily. Usually she accepts this condition as a natural thing, but it is unnatural. Marriage should add to woman's happiness, rather than subtract from it. If women understood how intimately the general health is related to the local health of the womanly organs, they would appreciate the fact that there is no need to suffer from weakness and backache. The use of Doctor Pierce's Favorite Prescription makes weak women strong, sick women well. It regulates the periods, heals inflammation and ulceration, cures female weakness, and puts the body in a condition of sound health.

Mrs. H. A. Alsbrook, of Austin, Lonoke Co., Ark., writes: "After five months of great suffering with female weakness I write for the benefit of other sufferers from the same affliction. I doctored with our family physician without any good results, so my husband urged me to try Dr. Pierce's medicines—which I did, with wonderful results. I am completely cured. I took four bottles of Dr. Pierce's Favorite Prescription, four of his 'Golden Medical Discovery' and two vials of his 'Pleasant Pellets.'"

Dr. Pierce's Pleasant Pellets cure constipation and its consequences.

Bismarck's Iron Nerve

Was the result of his splendid health. Indomitable will and tremendous energy are not found where stomach, liver, kidneys, and bowels are out of order. If you want these qualities and the success they bring, use Dr King's New Life Pills. They develop every power of brain and body. Only 25c at W L DeLano's drug store.

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in reccomending it to others suffering from that dreadful disease.—J. W. Lynch, Dorr, W Va. This remedy is sold by W L DeLano.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends. F. A. Babcock, Erie, Pa. It is for sale by W. L. DeLano.

Prevented a Tragedy.

Timely information given Mrs George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr Long of a severe attack of pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and $1.00. Every bottle guaranteed. Trial bottles free at W L DeLano's drug store.

PLAYED OUT.

Dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores, are all positive evidence of impure blood. No matter how it became so, it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons, or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on positivea guarantee. For sale by W L DeLano.

The Chinese war has injured the lumber trade with China from Portland to a great extent, says the Telegram. Two of the vessels which have been heretofore engaged in the lumber trade between here and China have been engaged as transports by the United States Government. The taking away of these two vessels alone has knocked out the exporting of 6,000,000 feet of lumber, part of which is already cut.
