HON. EDWIN H. CONGER.

When the uprising of the Boxers began, the Hon. Edwin H. Conger of Iowa was the American minister in Peking. With him were his wife, his daughter, his sister's daughter and several American women who were stopping at the legation as his guests. Minister Conger, who had been stationed in Brazil, was transferred to China when the powers began seizing spheres of influence there.

A Life and Death Fight.

Mr. W. A. Hines, of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure throat, chest and lung troubles." Regular size 50c and \$1.00. Trial bottles free at W. L. DeLano's drug store.

Worthless

reprints are very misleading; for instance, they are advertised to be the substantial equivalent of a higher-priced book, when in reality, so far as we know and believe, they are all, from A to Z.

Long Since Obsolete.

The supplement of 10,000 so-called "new words," which some of these books are advertised to contain, was compiled by a gentleman, who died over forty years ago, and was published before his death. Other similar additions are probably of more or less value.

The Webster's Unabridged Dictionary published by our house is the only authoritative one of that name familiar to the American people. It contains over 300 pages, with illustrations on nearly every page, and is a permanent imprint on the title page. It is protected by copyright from cheap imitations.

Valuable as this work is, we have at vast expense published a thoroughly revised and improved edition, known as Webster's International Dictionary. As a dictionary lasts a lifetime you should

Pure Home Made Brandy

Pure double distilled brandy contains neither fuel oil or prussic acid, nor any other poison except what is contained in the fruit. Neither is it necessary to rectify the same before it is fit for use, as hundreds of men, and dozens of old distillers who now live in Oregon can testify. Distilled liquors are always clear in color, not red, until age gives them a yellowish cast. I will sell you pure brandy made near Eugene Oregon for \$3 a gallon, or 75 cents a quart.

I. M. Francis, Distiller.

Fifth and Blair streets, Eugene, Oregon.

During the civil war as well as in our late war with Spain diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Dr. David Taylor, of Wind Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he has never found anything that would give him such quick relief. It is for sale by W. L. DeLano.

Glorious News

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by W. L. DeLano, druggist. Guaranteed.
