THURSDAY - AUGUST 30
SHAM AND REAL ISSUES.

There is genuine sorrow in the McKinley camp in that there is no chance this presidential election to alarm capital with the silver bugaboo. Nevertheless some of the press of that political faith, the Oregonian among the number, continues the attempt to scare the voter by asserting that the election of Bryan will put the country on a silver basis. The Oregonian, though, discreetly fails to inform its gold standard readers that this McKinley administration has coined many millions of silver during its term.

The issue of imperialism, the holding of ten millions of Asiatics on territory that lies almost against continental Asia eight thousand miles from Pacific shores, is sought to be avoided. We exclude the Chinaman. President McKinley has 65,000 soldiers in the Philippines trying to make subjects or citizens of the ten million Filipinos and mixed bloods that inhabit the archipelago. The people of the Pacific coast know the Chinaman. They know that the law excluding him from our country is for our best interests, for the interest of every laborer. Will the genius of our free institutions allow us to hold the Filipino as a subject, yet exclude him from our shores and a part in our political institutions? There is danger for our people in the answer to this question, should McKinley be elected. We believe the election of Bryan would solve the question to the best interests of our people. He is opposed to holding Asiatic territory by force of arms, or otherwise.

CHANGES OF FOUR YEARS.

The editor of the Roseburg Review keeps a file of the Oregonian. He says he has gleaned the following information from its columns: "Four years ago, men like Senator Stewart, of Nevada, and ex-Senator Peffer, of Kansas, and ex-Senator Mantle, of Montana, were long-haired, wild-eyed cranks of the most dangerous type—because they were supporters of Bryan. Now they are a set of weak, shifting, shallow politicians—because they have declared for Bryan and the republic."

Four years ago, ex-Governor Boutwell, ex-Governor Bradford, Webster Davis, Gen. Atkinson, were representatives of all that was pure and good in politics—because they were advocating the election of McKinley. Now the same gentlemen are light-weight blatherskites and old has-beens not worthy of consideration at the hands of good, sensible, thinking American citizens—because they are for Bryan and popular government."

MUCH ADO OVER LITTLE.

The Oregonian has found a former Democrat of some prominence who is supporting McKinley, and it puts him to the front even though he is of the small fry. Ex-Minister Denby of China is the man. The Oregonian says Denby "has always been a Democrat, and was given the Chinese mission by President Cleveland. It was his knowledge of Oriental affairs that induced President McKinley to put him, Democrat though he was, on the Philippine commission." Then naively adds: "Doubtless it is his actual knowledge of the facts in the case also that forbids him to support Bryan."

"Doubtless" it was through being put on the Philippine commission that Denby supports McKinley. He was a Cleveland appointee, and there are not a few of them, together with the ex-president, throwing what strength they command to the Republican cause. More than this the charge has been publicly made, and not denied, that Denby was in favor of McKinley four years ago and would have voted for him had he been in the country. The Oregonian makes much ado over very little. It is a case of "small potatoes," if anything.

The Pen in the Hand is worth two in the Mind.

If you have "a good mind to write to Dr. Pierce," take pen in hand and begin. Then you'll avoid the experience of Mrs. M. P. Davis, of Honaker, Russell Co., Va. She writes:

"For seven years I was confined to bed most of the time. I had ulceration of internal organs and female weakness. I had four doctors and they said I could not be cured. After the doctors said I could not be cured I wrote to Doctor Pierce for advice. I followed the advice he gave. I feel better than I ever did. My friends say I do not look like the same woman. I am sorry I did not take Dr. Pierce's medicine when I first began to have poor health. I could have saved what I paid to hangers."

No one ever regretted writing to Dr. Pierce for advice. Many have regretted not writing sooner. Sick women are invited to consult Dr. Pierce by letter, free, and so obtain the opinion and advice of a specialist in diseases peculiar to women. All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser, 100 pages, is sent free on receipt of stamps to defray expense of mailing only. Send 21 one-cent stamps for paper covers, or 31 stamps for cloth. Address as above.

Pure Home Made Brandy

Pure double distilled brandy contains neither fusel oil or prussic acid, nor any other poison except what is contained in the fruit. Neither is it necessary to rectify the same before it is fit for use, as hundreds of men, and dozens of old distillers who now live in Oregon can testify. Distilled liquors are always clear in color, not red, and give them a yellowish cast.

I will sell you pure brandy made near Eugene Oregon for \$3 a gallon, or 75 cents a quart.

Robbed the Grave. A Thousand Tongues

A startling incident of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cents; guaranteed, at W. L. DeLano's drug store.
