Which Way?

Are the children growing nicely? A little stronger each month? A trifle heavier? That's good.

Or is one of them growing the other way? Growing weaker, growing thinner, growing paler?

If so, you should try Scott's Emulsion at once. 'Tis both a food and a medicine to all delicate children. It makes them grow in the right way—taller, stronger, healthier.

Good Price Secured for a Lot of Hops Sold by a Woodburn Grower.

WOODBURN, Oct. 4.—P. K. Johnson, of Monitor, has sold his hop crop, 100 bales, to Wolf & Son at 14 1/2 cents.

Where is the Register's slump. Probably the Register's informant wanted to use said editor. It looks that way and growers generally believe this to be the fact.

A \$2500 Verdict.

Grants Pass Courier.

After a hard fought legal battle between A. C. Hough, administrator of the estate of Enoch Moon, deceased, and the Grants Pass New Water, Light & Power Co., a verdict was brought in by the jury Saturday of \$2500 for the plaintiff.

The facts of the case are familiar with most of our readers. On October 2, last year, Enoch Moon was repairing electric light wires on Fifth street in the rear of the old Palace hotel site, when the electric current was turned on at the power house, Moon receiving the full force of the shock, killing him instantly and knocking him from the pole on which he was working.

The evidence was brought to show that the company, through its manager, G. I. Brown, was negligent in not using a more safe method of communication to the power house. It will be remembered that Mr. Brown sent a man down to notify the engineer not to turn on the power but the messenger was obliged to make a purchase on the way and arrived at the power house after the current had been turned on.

The company was represented by its attorney, R. E. Moody, of Portland, and A. S. Hammond, of Medford. Plaintiff A. C. Hough, was assisted by H. D. Norton.

President Kruger.

NEW YORK, Oct. 3.—A dispatch to the Journal & Advertiser from Lourenco Marques, says:

The restrictions around Kruger are increasing and he is virtually a prisoner. He has been allowed to use the Portuguese governor's carriage. While driving yesterday he met a party of burghers and made them a patriotic speech. The governor has now refused the use of the carriage. Kruger has been warned to make no more speeches and is forbidden to wear the green sash that is the insignia of his office.

Kruger expects to sail on a Dutch cruiser for Holland next week.

A Life and Death Fight.

Mr. W. A. Hines, of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure throat, chest and lung troubles." Regular size 50c and \$1.00. Trial bottles free at W. L. DeLano's drug store.

For sprains, swelling and lameness there is nothing as good as Chamberlain's Pain Palm. Fry it. For sale by W. L. DeLano.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines, but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely." This remedy is for sale by W. L. DeLano.

For Malaria, Chills and Fever

THE BEST PRESCRIPTION IS Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's. Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the Original and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. G. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy, and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by W. L. DeLano.
