SATURDAY -- OCTOBER 20

WILL WIN.

The Cities Are Largely in Favor of Bryan.

If Bryan holds his vote in the country he will surely be elected, because he shows signs of immense gain in the cities. Nearly all the large cities have Bryan mayors and will roll up immense majorities. For instance in Chicago.

There were added to the registry lists by the second and last day of registration 116,913. These, taken with the 204,490 names placed on the books on Monday, give a total of 401,403 names as the registration in the 35 wards of Chicago for this year. Although a revision of the figures may reduce this total some, this is the largest registration in the history of the city. As compared with the registration of 380,245 of 1898, the total this year is 21,158 greater and exceeds that of 1898, which was 325,745, by 75,658.

Chicago will very nearly overbalance the Republican majorities in the interior of Illinois. The defection of the Prohibition and religious elements from McKinley are large and unless they are rallied back into line, as they were in 1896, McKinley is a defeated man, sure.

A LIVELY CORPSE.

Eugene Register: "There are plenty of good, substantial, old-line Democrats who could not vote their sentiments if they would, simply because there is no longer a Democratic party in existence in this country."

And yet, to be accurate, Bryan received 6,502,925 votes in 1896, nearly 47 per cent of the total vote cast. If there is no "Democratic party in existence in this country" there is a mighty big substitute.

WELL PUT.

Reform Journal. "Mr Hanna seems to have demonstrated conclusively that he can do much for the laboring man when an election is pending. If he would do as much after, there would be less the matter with Hanna."

Li Hung Chang and Prince Ching are out in a joint note asking the powers if it is not about time to treat for peace. The French minister of foreign affairs, M. Pichon, responds that it will be time when exemplary punishment is inflicted on the principals of the Chinese government who are directly responsible for the violation of international law. The civilized world seems determined that China must be made to realize her responsibility as a nation through blood letting of dignitaries who stand very near the throne.

The Oregonian indorses the assertion of the Washington Post that Bryan should have made no further personal campaign than his Indianapolis speech. This is very moderate for the Oregonian. Naturally the Oregonian could have been expected to declare that it would have been more agreeable if Mr Bryan had retired before he made the Indiana speech. The Portland paper is getting very liberal in its views.

After the first shock people began to lose interest in the Galveston horror. Still the telegraph brings details that show what a terrible calamity it was that overtook the once prosperous Gulf city in a night-time. One month and ten days after the storm, October 19, forty-two bodies were recovered, and the daily finds of victims do not decrease. The total number of bodies recovered to that date were 2,907.

Albany Democrat: "All the papers tell about the demand for Oregon apples but the producer who ships them himself has nothing to show for it when he has paid the robber prices charged for commission and freight. A Corvallis man tried to sell 100 bushels and had just \$2 left for himself."

A Portland policeman has cause to be haughty and proud. Single-handed, and though confronted with a revolver, he arrested three footpads early Friday morning, within half an hour after they had stood up their victim, and marched them to the city jail together.

Pimples

Are more than a disfigurement of the skin; they are a handicap to a young man, alike in love and business. The pimply face looks dissipated and both merchant and maiden look askance at the unfortunate fellow whose face is his misfortune. An almost certain cure for pimples and the skin eruptions is found in Dr. Pierce's Golden Medical Discovery. It purifies the blood of the corrupting cause of ordinary eruptive diseases, cleanses the skin and builds up the body with some wholesome flesh. "Discovery" contains neither alcohol nor narcotics.

"I am well pleased with your medicine," writes John A. Callaway, Box 210, 215th St., Columbus, Ga. "In this I was working at night and I broke out in lumps all over my face when I used these pills. I took six bottles of 'Golden Medical Discovery' and two of Doctor Pierce's Pills, and I do believe that I am cured. I have a good appetite, but before I commenced treatment I had no appetite at all. My eyes were sunken and my face was pale. Now these are all gone. I have used many kinds of medicines but received no benefit. Last year I weighed one hundred and thirty-four pounds, and now I weigh one hundred and forty-five. Please accept my thanks. I am so glad I found the right kind of medicine."

Dr. Pierce's Medical Adviser sent free on receipt of stamps to pay expense of mailing only. Send at once stamps for book in paper covers, or at stamps for cloth, to Dr. R. V. Pierce, Buffalo, N. Y.

Notice to All Interested.

I have been informed several times that certain parties are "working" the people in this vicinity and are claiming to be members of the State Optical Society. I wish to inform the public that no house to house optician or anyone working fair, carnival, etc., are eligible to membership in the society. If they were ever members, the fact that they became peddlers cancels their membership.

The object of the society is to elevate the profession and protect the people from this class of fakirs.

Junction City Times: The fire engine was run out Monday for practice. The engine worked to perfection. The well at the C P church was used and the engine pumped it dry in just four minutes. This is the only small well in the city and was put down as an experiment. It is a failure so far as protection from fire is concerned and should receive attention.

Albany Democrat: An Albany man last evening counted eighteen men in Albany who voted for McKinley four years ago who this year will cast their votes for Bryan; while only four who voted for Bryan who will now vote for McKinley could be named. And this is reported to be about the proportion in other places.

Albany Democrat, Oct 19: Hon T J Stites returned this noon from his trip to Louisville, Ky, where he had been subpoenaed as a witness in a case arising from some letters mailed here during his term of office as postmaster. He observed the political situation closely, and encouraged with Bryan's prospects.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr C R Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy, and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by W L DeLano.

Timely information given Mrs George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cold had long kept her awake every night. Notice to Taxpayers.

EUGENE, Oregon, Oct. 16, 1900. It has been the custom and requirement of the law for the sheriff of the county to serve tax warrants for delinquent taxes on the property of the delinquent taxpayer—but owing to the passage of a new law such notices hereafter will not be served or posted on delinquent property, but a certificate of levy will be filed with the county clerk, and then the customary notice of sale of property for delinquent taxes will be published in one of the county papers. The levy will be made Nov 1, 1900, and advertising commences immediately thereafter. Taxpayers in order to save expense of levy and advertising should pay their taxes at once.

RUNNING UP A BIG BILL.

"The doctor's fees wouldn't be necessary, when you are at sea, if you had a bottle of our pure and high grade Cysto Noble Whiskey in your house and then take it in the form of toddy, or as your taste dictates, at bedtime or any other odd time. There is nothing like it for colds, La Grippe or kindred ailments."

Pure Home Made Brandy

Pure double distilled brandy contains neither fusil oil or prussic acid, nor any other poison except what is contained in the fruit. Neither is it necessary to rectify the same before it is fit for use, as hundreds of men, and dozens of old distillers who now live in Oregon can testify. Distilled liquors are always clear in color, not red, until age gives them a yellowish cast. I will sell you pure double-distilled brandy, apple or pear brandy made near Eugene Oregon for \$2.50 a gallon, or 75 cents a quart.
