Double Tragedy.
Jacksonville, Or., Nov. 25.—There was a double tragedy here last night. G. W. Taylor shot and killed J. Hardenbrook and then ended his own life. The facts developed are: G. W. Taylor had lived near Drain, Douglas county, for two years past. He arrived in this place with his family two weeks ago. His wife's sister, Miss Sarah L. Beeson, of Shubel, Clackamas county, came here with them. Mr. Hardenbrook has been paying his addresses to her, and it is understood they were engaged to be married. Mr. Taylor objected to the marriage and the tragedy followed.

CONSUMPTION
is, by no means, the dreadful disease it is thought to be—in the beginning.
The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.
Don't be afraid; but attend to it quick—you can do it yourself, and at home.
Take Scott's emulsion of cod-liver oil, and live carefully every way.
This is sound doctrine, whatever you may think or be told, and, if heeded, will save life.

For Malaria, Chills and Fever

THE BEST PRESCRIPTION IS
Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's. Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the **Original** and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.
