NEW KIND OF HOP.

Cuttings Have Been Received at Independence From the Agricultural Department.

INDEPENDENCE, Nov. 29.—Cuttings of a new hop have just been received from the agricultural department at Washington by R D Cooper. The hop is known as the Bavaria Spalt hop and comes from a very restricted area. It is highly prized by the big breweries of this country for brewing the finest quality of beer, and this season the price at home was over 30 cents per pound. As he hops in the vicinity of Independence cannot be beaten anywhere in Oregon or Washington. It is believed that Mr Cooper has an opportunity to show good results for his labor.

The cuttings were taken in October and it is hoped that the long journey has not injured them, so that a fair test can be had.

Bicycle lamps, 6 cents. F L Chambers'.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. Geo D Williams, of Manchester, Mich, tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run-down people. Every bottle guaranteed. Only 50 cents. Sold by W L DeLano, druggist.

No Cure No Pay.

That is the way all druggists sell Grove's Tasteless Chill Tonic for Chills, Malaria and Biliousness. It is as pleasant to take as lemon syrup. 50 cents.

For Malaria, Chills and Fever

Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's. Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the Original and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.
