Dr Russell Writes.

THURSDAY, Nov. 28.
In the Register of Nov. 25th I notice a statement by some political sore-head or would-be economist in which he takes exception to my bill for medical service and attendance upon Chas. Sinclair, of Camp Creek. This champion of Sinclair lies, if he knows what that means, when he says that I forced Mr. Sinclair to occupy the position of a mendicant before his neighbors. When I was called to see him I traveled through the rain at night and with the help of some of his neighbors set his broken hip, but this correspondent was not one of them. I stayed all the rest of the night at Mr. Craig's as the wealthy patient had neither for man nor beast any accommodations. The next morning I visited him. From what I saw I thought he needed help and so did his neighbors, except the correspondent. I attended him faithfully until I thought he could, take care of himself. Now if Mr. Sinclair wants me to tell all I know, and what his neighbors know, about his circumstances, I will do so, but I think he is only mad, a fool, so this economical correspondent can sling mud at me and through me at the county court. The court only allowed me \$15, as part payment. Now if Mr. Sinclair is so independent let him send me \$15 due, and reimburse the county in the sum \$15 they have paid on his account, or let this correspondent, who knows so well how to run county affairs, advance it for him. DR. BENJ. F. RUSSELL.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address, F. J. CHENEY & CO., Toledo, Ohio.
Sold by Druggists, 75c.

Hon. Wm. J. Bryan Writes Mr. Skipworth a Pleasant Letter.

In response to a cordial note from Mr. Skipworth to Mr. Bryan, written the day before the November election, in which he congratulated Mr. Bryan on his noble and brilliant campaign, and especially commending his Indianapolis speech of acceptance, and expressing the hope that he might be triumphantly elected, the latter gentleman replied as follows:

LINCOLN, Neb., Dec. 1, 1900.
MY DEAR SIR:—I am grateful to you for your work and for your expressions of good will. We have made the best fight we could for principles which we believe to be American and we must continue to do our duty as we see it, regardless of temporary reversals.
Yours truly,
W. J. BRYAN.

The band will play some of the best selections and a number of solos will also be given during the evening. Prof. Glen will sing one of his best solos to band accompaniment, and Mrs. L. G. Hull will be heard in one of her pleasing solos, also to band accompaniment. This concert will be one of the best musical events of the winter, and those who patronize it, aside from the pleasure of the occasion, will be contributing their mite toward the support of a worthy organization. The concert is given for the purpose of raising funds to apply on the payment of the elegant set of instruments now being used by the band. Watch for window cards.

Cold Steel or Death.

"There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Linn Ridge Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvelous power of Electric Bitters to cure Stomach and Liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure stomach, liver and kidney troubles, and never disappoints. Price 50c, at W. L. DeLano's drug store.

For Malaria, Chills and Fever

THE BEST PRESCRIPTION IS

Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's. Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the **Original** and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.
