THURSDAY -- DECEMBER 13

HOW THE TURK GETS PROTECTION AND COUNTERANCE.

The Sultan gave Captain Chester of the United States battleship Kentucky a dinner at the Yildiz palace, Constantinople, Monday. The dispatch announcing the event naively says "his majesty's excessive display of friendliness is attributed to his desire to demonstrate that the visit of the Kentucky to Smyrna has produced no irritation."

Christian statesmen practically agree on the Chinese question, hence the murder of a few missionaries and a few thousand of their Chinese converts was visited with swift vengeance. And that is away over in Asia. Yet they have permitted the perpetration of untold horrors and murders, running well towards the hundreds of thousands, at their very doors.

THE GREATEST CANNON IN THE WORLD.

Admiral O'Neill, Chief of the Bureau of Ordnance, says that the new twelve-inch gun will produce a muzzle velocity of 3,000 feet per second.

The latest improved twelve-inch gun of foreign make has produced a maximum velocity of only 2,600 feet at its muzzle. The new naval gun is not only superior to anything made abroad, but is more effective than the thirteen-inch gun now on American battle ships.

The thirteen-inch guns of the Oregon class have a maximum velocity of only 2,300 feet a second with smokeless powder.

The projectiles of this powerful gun are 850-pound pieces of steel. The enormous velocity of the gun will make it impossible for any armor now made to resist the impact.

veized armor 23.5 inches thick, and Krupp armor 20.4 inches thick.

THE SENATORIAL BATTLE.

The battle for the Oregon senatorship to succeed McBride is taking form, and suites of rooms are already engaged at Hotel Willamette for at least three aspirants, and for twenty days on and after Friday, Jan 11th. The legislature meets on Monday the 14th.

Ex-Senator Corbett, will be here and take personal charge of his candidacy. He will make an open fight for the honor, and cast aside all the manipulating and secret methods of the past. McBride is expected to be here, as well as Mitchell and Fulton. Governor Geer says in the most emphatic manner that he will not allow his name to be sprung as a candidate under any circumstances.

Murderer Stikel, over in Tacoma's jail, got a change of heart through the labors of Salvation Army recruits, and complacently confessed to the murder of the Knapp family and Shanklin in Cowlitz county a few months since, together with the burning of the home with the bodies of the victims. Stikel rightly says he is in a "rather bad fix" and adds that he "will be glad when out of it."

The Oregonian says the winsome, toothsome smelt "has dropped to 50 cents a pound, and might fall still further without hurting anyone or injuring the smelt." If the salmon is the king of fish the smelt is the prince imperial of the finny tribe.

His Life Was Saved.

Mr J E Lilly, a prominent citizen of Hannibal, Mo, lately had a wonderful deliverance from a frightful death. In telling it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected soon to die of consumption, when I heard of Dr King's New Discovery. One bottle gave great relief. I continued to use it and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble.
