HIGH SCHOOL ATHLETIC CLUB.

Met for Organization This Afternoon.

This afternoon at 1 o'clock the young men of the Eugene High School met for the organization of an athletic club. A board of managers consisting of Fay Howe, Chas Austin and Webster Kincaid, was elected and invested with power to elect a president, secretary and treasurer from their number. The board will also have entire control of the club affairs. Their next step will be to secure a suitable building for their gymnasium and the proceeds of the entertainment to be given at the High School building tonight will go toward purchasing necessary apparatus, etc, with which to fit up the gymnasium.

FOOTBALL TOMORROW.

Co. C's Team Goes to Cottage Grove.—The Line-Up.

On tomorrow afternoon's 2:00 train the football team of Co C, of this city, will go to Cottage Grove to do battle on the gridiron with the Bohemians of Cottage Grove. Manager Ford stated to a GUARD reporter today that he expected a hard game and if his men win they will have to play fast ball. They are in good condition however, and no doubt will make a splendid showing. The Cottage Grove men average several pounds more to the man than the Eugene team.

THE PUBLIC SCHOOLS.

Appropriate Christmas Exercises This Afternoon.

ONE WEEK'S VACATION.

Today being the last school day before Christmas, exercises appropriate to the occasion were held by the public schools this afternoon. A GUARD reporter visited both the Central and Geary schools and was shown through the various departments by the teachers in charge. Nearly all the rooms were elaborately decorated with evergreens, etc and some very artistic work by the pupils was exhibited on the blackboards.

The programs consisted of music, recitations, dialogues and tableaux. They were highly interesting and showed much work on the part of teachers and pupils alike in preparing them. Quite a number of visitors attended the exercises at both schools.

No special exercises were held at the High School this afternoon, but the young people are making great preparations for their athletic benefit which will be held at the High School building this evening. A good program has been prepared and they are deserving of liberal patronage.

From now till January 2 the regular Christmas vacation occurs. The pupils will take a needed rest and when studies are resumed they will be in condition to do harder and better work. The children are all happy over the anticipation of the holidays and the festivities connected therewith and merry times are planned by most of them to be had during this brief respite from their studies.
