Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knoledge, not a single case has resulted in pneumoniat Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by W L DE LANO, drugstore.

Washing Fluid.

The quick and easy washing fluid saves time, saves strength. Does not injure finest fabrics. Does not injure the hands. Contains no lye, no acid, yet bleaches the clothes snow white and dissolves the dirt while they boil.

This discovery is a blessing to laundresses. It is a blessing to the public, in that it spares the clothing from excessive rubbing on the wash-board, and from the ruinous acids and alkalies which many are tempted to use. It is believed to be the best non-injurious bleaching compound in the world. While many soaps and soap-powders turn clothes yellow, this compound leaves them white, clean and sweet-smelling. It is not sold in stores, and can only be procured through our agencies.

A very low price is fixed upon this Fluid, for it is our desire that it shall be popular, a public benefit, especially to the poor and those who earn their living as washerwomen and public laundresses. You must furnish your own vessel to receive this Fluid, of if desired we will supply you with a one gallon jug at a cost of fifteen cents.

We supply the Fluid 2 quarts for 15 cents, 1 gallon for 25 cents.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

No Cure No Pay.

That is the way all druggists sell Grove Tasteless Chill Tonic for Chills, Malaria and Billiousness. It is as pleasant to take as Lemon syrup. 50 cents

No one can reasonably hope for good health unless his bowels move once each day. When this is not attended to, disorders of the stomach arise, billiousness, headache, dyspepsia and piles soon follow. If you wish to avoid these ailments keep your bowels regular by taking Chamberlain's Stomach and Liver Tablets when required. They are so easy to take and mild and gentle in effect. For sale by W L DeLano, druggist.

A Few Piano Facts.

It takes more than a "full iron plate" to make a good piano. I can sell you a piano with a full iron plate for $150. These pianos have a duet, or full length swinging music desk, but they are not first-class goods and I do not so recommend them. It takes capital, experience, skill, honesty of purpose and first class material to build a good piano. These are embodied to the fullest extent in such pianos as the Chickering, Kimball and Weber pianos, as everyone conversant with pianos knows I sell the above and several other good makes. Getting goods in large quantities direct from the factories with no middleman's profit, and being at very little expense by making arrangements with Eller's Piano House to have my goods come with theirs, thereby cutting down freights at least one-half, I am enabled to give you better goods for less money than you can get elsewhere

Cold Steal Or Death.

"There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs L B Hunt, of Lime Ridge, Wis, by her doctor after vainly trying to cure her of a frightful case of stomach troubles and yellow jaundice. He didn't count on the marvelous power of Electric Bitters to cure Stomach and Liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure Stomach, Liver and Kidney troubles and never disappoints. Price 50c at W L DeLano's drug store.

For Malaria, Chills and Fever

THE BEST PRESCRIPTION IS

Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's. Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the *Original* and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.
